A GUIDE TO OBTAINING A HANDICAP

If you were / are a member at another club before joining Bonnybridge Golf Club then you should provide your Scottish Golf Union, Central Database of Handicaps, LIFETIME ID starting 400***** (10 digits) or ask your previous club for a handicap certificate. Once you provide this you can be added to the handicap list. You will then be able to enter competitions including Match Play Competitions and the optional two's at Bonnybridge Golf Club.

However, if you do **not** have a handicap or it has **lapsed**.

You must let the Match & Handicap Secretary know of any handicap held in the past.

From Scottish Golf Union website:

To obtain a handicap a player is required to submit such number of cards over 9 or 18 holes, **with an expectation that the norm will be three 18-hole cards**. However, any permutation of 9 and 18 hole cards may be submitted but must total a minimum of 54 holes at their **Home Club** (preferably over a Measured Course)

At Bonnybridge we require:

For Gents return 3 X 18 hole cards from the Bonnybridge for a minimum 2 X White & 1 X 18 from Yellow Tees.

Ladies return 3 X 18 From Red Tees.

You should retain the cards in your possession until the required number of cards are complete. Then submit all cards together, in one envelope, with your full name and headed "For Handicap".

Another member of Bonnybridge Golf Club must mark and sign your score cards. You may play alongside other competitors in a competition (**Consult Match Secretary prior to this**), but only if there is a free space / unused tee time on the PSI. One of the other 2 players can mark your card.

Please be aware you will not be able to enter your name into any competition until you have a formal SGU handicap.

Your score will not be counted in the competition as you do not hold a handicap. You may play in competitions for your handicap but it is preferred if you complete most cards out with stroke play competitions.

You cannot enter the sweep or optional two's competitions until you have obtained a handicap.

Once a handicap has been obtained you will be able to enter competitions including Match Play Competitions and the optional two's competitions at Bonnybridge Golf Club.

You can also enter Open Competitions at other SGU Affiliated clubs using your CDH Number to correctly identify you and your current up to date handicap.

GOLF ETIQUETTE

Always replace divots & repair plug / pitch marks on the Greens

Always have consideration for others on the golf course. Never play when it is not safe to do so. There are Bells on the 2nd (2 rings) and 3rd (3 Rings) holes to let players behind you know its safe to play..

9 holes create certain problems — Playing from 1st and 10th holes in particular.

If a Game has left the 9th green prior to a game arriving to start their round at the 1st then the game playing their 10th has priority.

If a queue has formed at the 1st / 10th then Tee Off shall alternate between those playing the 10th and those starting their round. If a game has just started at the 1st then the next game on the tee should be playing their 10th hole.

When moving onto the 9th green please place your clubs either **Near the path leaving the course** or **the path to the 1st Tee**. This will assist those waiting at the 1st to decide if they can Tee Off.

At all times, when playing from 6th Tee be aware of players teeing off on the 7th Tee particularly if one of the lower 7th tees are in play at the time.

Players cutting in at the 5th have no standing and must let games playing a full round through.

Under no circumstances should players start at the 5th hole if a game is on any part of the 4th hole.

All Team Matches have priority on the Course. Play in Gents Team Matches will start at the 1st & 5th. All players should be past the 5th / 14th tee at least 15 minutes prior to the advertised starting time of a Team Match.

Juniors and Juveniles must be off the Course by 4.30 pm on Tuesdays. **Adult male members should be clear of the 1st tee by 4pm and shall not start a game until after 8.00pm on a Tuesday Evening (Ladies Night) or until the last Ladies game has passed the 10th whichever is the latter.**

The maximum number of players in any game, shall not exceed 4 balls. No practice putting is allowed on the 4th & 9th greens.

Practice is not allowed between the Clubhouse and the Practice area. (Behind 9th Green) other than putting on the practice green(s) provided.

Your position on the Golf Course is **"behind the game in front"** not **"in front of the game behind"**.

Always let faster games through. If you lose a FULL HOLE and are delaying a game following, you must invite that game to play through.

If you are unsure whether you will find your ball, you should always play a provisional.

It is prudent to let the game in front play first if the position you wish to play from interferes with their play - this is particularly important at the 7th / 8th.

A Current Membership disc should be displayed in a prominent position at all times when playing golf.

VISITORS

Before introducing non-member(s), members must ensure that their round does not interfere with any club competition.

Visitors may be introduced by members but must play with the member. Visitors must be signed in before play commences with the correct money lodged prior to play starting.

Failure to comply with these procedures will result in severe disciplinary action being taken against the member.
