

LADIES' NON ATTENDANCE POLICY

If a lady member is unable to attend a competition for which they have signed up then the following procedure should be followed:-

Midweek Golf:

Notify the starter by 5.00pm on the Sunday evening preceding the date of the competition that you are unable to attend.

Weekend Golf:

Notify the starter by 5.00pm on the Thursday evening preceding the date of the competition you are unable to attend.

This then gives time for the starter to rearrange the start sheet and notify players and is a courtesy to your fellow players.

If you do not or cannot give due notice then you may be liable to pay a green fee although you do not play.

In the event of any disagreement contact the Captain or Vice-Captain. Their contact details are in the diary.
