

2018 MEN'S COMPETITION PROCEDURE

- All qualifying competitions **MUST** be entered via the PSI Touchscreens, or via the internet using HOWDIDIDO
- Competition booking will open 28 days ahead of the competition date and will close 2 days before the competition date
- Any Entrant who finds that they are unable to play after the competition entry closes **MUST** contact the relevant Golf Shop without delay and provide a reason for their late withdrawal. Members should make every effort to contact their playing partners as a courtesy to inform them they cannot play
- Members may also play outside the tee times allocated to a competition (**EXCEPT** in Major competitions) by booking a tee time via BRS, signing in as normal on the PSI Touchscreen and making payment in the Golf Shop. The marker's name **MUST** be printed on the card
- Entry fees for Competitions **MUST** be paid in the Golf Shop before play commences
- All players **MUST** Sign-In via the PSI screens and attach the label issued by the printer to their score card before commencing their round. If the label printer is **NOT** working you **MUST** write the date, your name, your handicap and the competition title on your scorecard
- All scores **MUST** be entered via the PSI screens after the round is completed. If this is not possible for technical reasons (Touchscreen not working, etc), please note this on the Score Card. All score cards **MUST** be signed and placed in the Premier Competitions Box or handed into the Championship Golf Shop, dependent on which course the competition was played on
