

# **CORPORATE GOLF PACKAGE**

I would like to take this opportunity to introduce Carholme Golf Club to your Company.

Carholme Golf Club was founded in 1906 and is one of the oldest Clubs in the County. It has the reputation of being one of the best 'short' courses in Lincolnshire. An 18-hole parkland course with a length of 5577 yards and a par 68 has superb views of Lincoln Cathedral and the surrounding area and has many feature holes designed to test golfers of all standards.

Enter the city of the A57 and drive alongside the racecourse, past the grandstand and the Golf Club is immediately on the right.

You can enjoy a round of golf at unbeatable value on an easy walking course with water hazards and tree-lined fairways. Situated in the heart of the city after a game of golf, you can order bar meals, eat lunch in the restaurant or just take refreshments.

The friendly and welcoming atmosphere of the Club is a feature of Carholme. The Bar and Restaurant is open every day and has a good selection of beers and wines. The catering service is excellent. Relaxing in our bar and restaurant after your golf will make a perfect end to your round.

The Club organises the facilities for over 400 members. It is made up of several different sections, Gentlemen – Ladies – juniors – seniors; each section represents Carholme Golf Club, visiting all parts of the County and in turn welcoming hundreds of guests back to Carholme and the City of Lincoln.

At present, Carholme Golf Club are offering Companies 2 packages (please choose one):
