

Re-Instatement of Out of Bounds on 10th Hole.

The Directors wish the Green Committee to re-instate pond located on the corner of Hole 10 within the OOB of that hole.

The decision taken by the Green Committee to change the OOB and the pond to a Lateral Water Hazard was taken without reference to the Club Directors. The Directors believe the change was a significant change to the course and as such should have been referred to the Board of Directors for consideration before any such change was made.

Chris Stubbs	Director of Helsby Golf Club.
Alan Rigby	Chairman of Green.
