Updated November 2017

Rookery Park Golf Club

Application for membership – explanatory notes

Current or Previous Handicap*

If you have a handicap, please provide a copy of your current handicap certificate with your application including your CDH Number if known. If you are still a member of another club and would like to make Rookery Park your home club please ask your existing club to release you from their database.

Should your application be successful and you do not have a CONGU handicap before joining the Club you will be required to submit 3 scorecards to the Club Manager for your handicap to be assessed. The cards can be completed on either Rookery Park course or any other 18 hole course of your choice played within the last 6 months. However, at least two rounds must be played at Rookery Park. If applicable, please submit these to us as soon as possible as it will speed up the membership process.

***Applicants not previously a member of a recognised club must book a lesson with our Club Professional in order that their playing standard is assessed. Our professional will sign the application form when he is satisfied the applicant's playing standard is satisfactory.**

Sponsors of your Application

Sponsors are existing members of Rookery Park Golf Club. In signing your application form, they are confirming your golfing credentials and are committing to ensuring that you are welcomed into the Club, introduced to some current members and generally integrated into the Club.

If you are new to the area and do not know any existing members, we can accept an application without any sponsors or a letter of introduction from a previous club.

Membership Interview

Following receipt of your completed application form, the processing of application forms is generally completed within four weeks. Once your application has been approved you will be invited to meet with the Club Captain for a brief interview lasting approximately 30 minutes. This gives you the opportunity to find out more about the Club and ask any questions you may have.

We look forward to receiving your completed application form but, in the meantime, if you do require any further information please do not hesitate to contact us.
