

The Dave Smith UNICEF Golf Charity Day Bungay & Waveney Valley Golf Club Friday 30th June 2017

David Smith is undertaking 3 legs of the 2017/18 *Clipper Round the World Yacht Race* and is sailing from England to Australia leaving in August and arriving in Australia in November, (hopefully!)

The beneficiary charity for the event is UNICEF and in the last race over £330,000 was raised. David has pledged to raise a minimum of £10,000 and began his fund raising last year and has already raised £2,000.

He believes as he is taking on such a serious challenge that it is important that others can benefit from his endeavours. The golf day is one of the events that David has organised to reach this target and is grateful for everyone who takes part. *Every penny raised goes to UNICEF* and we have worked hard to obtain worthwhile prizes as well as great items to be auctioned off.

Format: **Texas Scramble**

Entry Fee: **£160 per 4 ball** – *reduced to £150 if paid 30 days before event*

There are some fabulous prizes on offer and we hope to have great prizes for a hole in 1 and nearest the pin. An auction will also be taking place with some fantastic lots.

The day starts with bacon rolls and coffee and after the golf a 2 course carvery and coffee.

The entry form is attached and you can give this to either David Smith or Peter Revell or scan and send to smithdavid4556@yahoo.co.uk or p5rev@aol.com
