

Golf Partnership

As previously announced in February, Muckhart Golf Club has entered into an exciting new partnering opportunity with Pitreavie (Dunfermline) Golf Club (PDGC). This arrangement will allow all Full Members (Ladies, Gents and Seniors) 4 rounds of golf at no additional cost at PDGC during the 2014 season.

As from the 31st March 2014 Muckhart GC members will be able to play PDGC on 4 occasions, Sunday through Friday during this season. The booking of times will be conducted through the Pro shop who will coordinate with the PDGC professional on the availability of preferred times or alternative options. Bookings can be made up to 5 days in advance, this allows members at the respective clubs first opportunity for premium tee times. The names of all members included in parties will need to be registered at the time of booking. This process is being put in place to control and monitor the uptake of this initiative by members of both clubs.

Before commencing play, all members in a party will need to present their membership cards to the starter. Any members unable to do this will be refused access to the course.

As from now, all members effectively have "Social Membership" privileges at the other club, and can make use of the clubhouse facilities. All of this is a potential cash benefit of £120 per year.
