

Membership Information

Kettering Golf Club is a private members club. It is run by, and solely for the benefit of, members.

We are the oldest golf club in the county and in 2016 we celebrated our 125th anniversary.

It is a testing parkland course with a par of 69 with water featuring on two holes.

Kettering Golf Club is where Charley Hull developed into the golfer she now is and she is still affiliated to the club and can often be found here using our practice facilities. Several of our young members have turned professional over the last few years and we have a thriving and active juniors section. All of these were tutored by one of our resident teaching professionals Kevin Theobald who was Charleys' coach. We now have a new professional, James Waycot in place who has a fully stocked pro shop offering equipment at competitive prices and lessons suited for all. He can also offer the use of a state of the art golf simulator for lessons, club fitting or playing a few holes when the weather is too bad.

There is a relaxed and sociable atmosphere at the club with many social functions taking place. There is no requirement to book a tee time (except in competitions) and single players are more often than not invited to join other golfers.

Our membership rates are as follows for a new member for the first 6 years:

Full 7 day £1030

Under 30 £915

Under 28 £795

Under 26 £650

Under 24 £540

Under 22 £400

Under 20 £340

Under 19 £175

Under 17 £110

Under 12 £60

All the above are subject to an additional fee of £17 which are the fees payable to England Golf and Northants Golf Ltd

Non playing / Social member £50

These fees can be paid in full by cash/card or cheque or monthly by way of a credit agreement (the credit agreement is only available if commenced before March of each year, please ask for further details)

As a member you would also enjoy a 16% discount on drinks when using your membership card.

We also offer excellent practice facilities and there are exciting plans in place to improve these even further. We are also undertaking a course of drainage works to further improve our already renowned greens to allow us to play on them all year round.

If you are interested in joining or would like any further information then please do not hesitate to contact the office on 01536 511104 or e-mail secretary@kettering-golf.co.uk or info@kettering-golf.co.uk or pop in for a chat with either myself or Catherine Sidwell.
