Successes

Well done to Estelle Klausner who in 2017 reduced her handicap from 30 to 19!

Congratulations also to Chanel who has just competed in a PGA competition in Palm Springs in a parent/kids event coming in 11th overall and coming in 2nd with her Dad Peter.

Message from Stephanie Chafer - your Captain

Stephanie wishes you a happy golfing year in 2018. She hopes that there will be a determination to play in all monthly medals and stablefords. Please ensure that you pick up a new diary from the office and check the dates of competitions.

Stephanie will be in contact to ask if juniors would prefer a Top Golf outing or Bowling!!!

Message from Junior Organiser

Just a gentle reminder Please date and sign all competition cards.

Also you need to put in 3 cards to keep your handicap live.

Thank you to those who volunteered to help with the juniors in the future

Sam Cook, Doug Christie, Mary Henderson and Sam Klausner

The academy roll-up commences on 14th JANUARY 2018
