Mr Captains Blog *David Wilkinson*

Captain's Blog July 2018

Hi fellow golfers

I noticed tonight in the club lounge that Mr RJ Parkinson was the Golf Club Captain in 1976, during the last summer that bears any comparison to our present one with what seems like endless days of sunshine. Lucky man like me!

I am informed that it was around this time the Club sunk a bore hole to supply water for the Sprinkler System which has been a great asset to the Club in recent weeks.

A personal apology, for a misunderstanding, when I handed out the tickets for Captain's Night to members of the Committee. It was to spread the tickets out and about amongst the club members rather than any exclusiveness that I understand some of you thought was the case. In the event no one approached me for tickets where I had to refuse them. During the course of the weekend Pat Hand, Ladies Captain and I are pleased to report that we raised £900 for Overgate and intend to make this up to at least £1000 before we close our fund raising.

Looking ahead to Captains' Charity Day, on Saturday September 22nd, Pat Hand, Ladies Captain and I will be organising a Stableford competition that day with both individual and team prizes. In the morning there will be a Gents Competition and in the afternoon a Ladies/Mixed Competition. More details soon but we are also looking for donations of raffle prizes for that day if you are able then please pass them on to Pat, myself, or leave with John Kay behind the bar.

We are also hoping to organise a Social Event one Saturday Night in October with all proceeds going to club funds. Again more details as soon as we have a date.

I leave you with a quote from Billy Graham, a famous preacher man whose testimony I can bear witness too.

"The only place my prayers are never answered is on the Golf Course"

Best Regards David Wilkinson.

Safeguarding and Child Protection

We are keen to increase the number of juniors playing at Ryburn and it is important that all members are aware of the club's commitment to good practice and the protection of children participating in golfing activities. All members and employees all have a responsibility to ensure the safety and wellbeing of children and young people and to try to ensure that they enjoy the experience.

We now have a safeguarding policy in place and the key principles of our safeguarding policy are:

- The welfare of children is paramount.
- All concerns and allegations of abuse and poor practice will be taken seriously and responded to swiftly and appropriately.
- Ryburn Golf Club (and it's members) owe a legal duty of care to children on their premises or engaged in their activities. That duty is to take reasonable care to ensure their reasonable safety and the duty is higher than it would be for adults.

If you would like further information or have any concerns please speak to Lizzie Haigh, Ryburn GC Child Welfare Officer. A copy of the Ryburn Golf Club Safeguarding Policy and Procedure can be found in each locker room and will be on the Ryburn GC website.

REPAIR YOUR PITCHMARKS

Pushing the bottom of the depression upward only tears the roots, and kills the grass.

Right: Using the prongs to push grass at the edge of the depression toward the centre

Wrong: Using the prongs as levers to push up the bottom of the depression
