

# WELCOME TO THE JOKER PROMOTION

We have created this promotion for mainly two reasons

1. To encourage more members to visit the club as prize winners receive more benefit if they are on the premises for the draw.
2. To request members to actively participate as funds raised will be used for clubhouse development

The option to find the joker will be held weekly on a Friday evening accompanied by a simple fish supper if required. The draw will take place at 7.30pm each Friday

Every week a draw of the weeks entered envelopes will be made and the winning envelope will have its associated card number in a display cabinet turned over and that card removed from the game. Depending on the card drawn and your attendance a cash prize will be awarded varying from £50 to £25 or indeed if lucky enough the JACKPOT. Please note full payment if the winner is in the Clubhouse, 50% only of weekly prize or Jackpot if not.

Anyone can select as many cards as they wish at £1 for each one, please ensure you make each entry in a separate envelope with a £1 coin inside or you can use your bar card and put the receipt inside the envelope. Cards of course may have multiple selections by individuals on them but there will be only one winner in relation to the winning card – that is the card number shown on the drawn envelope.
