The knockout stage of the Easter Bowl has had a change in format this year and with more time being given to play each round it seems to have been a more favoured approach to increase the number of entries

The Coronation Cup will also have a slightly different format with a straight knockout tournament played throughout the month of May. See notice board for entries

Due to the inclement weather at the beginning of March the Birdie Cup will require re scheduling. GTJ to confirm a suitable date

8. A.O.B The Captain had received 2 correspondence from the senior section regarding the changes that have come into effect regarding the distribution of the winner's competition vouchers for this season. It was decided to invite both members to meet up with a couple of the section committee to discuss and explain our rationale behind the decision

 A letter received from the Caernarvonshire Golfing Union asking for two volunteers to attend their AGM on the 9th of May as they are looking for anyone who would be willing to put themselves forward for the vacancies of County Secretary and Treasurer. A notice to be put up on the locker room notice board

 The subject of the on line booking for competition entries has been brought up again, and as we have previously agreed, it was decided to implement this as a trial for the John Doody Cup on the 20th May. A notice will be on the board in due course advising members on how to book their tee time

 A question has been raised regarding the insurance premium each member pays as part of their annual subscription. In the absence of manager GTJ we were unable to clarify how members are covered when it comes to accidental damage which is caused whilst out on the golf course

 The Captain briefly discussed plans he has on course drainage and development which he intends to submit to the Greens committee at the next meeting
