

The inaugural 'Quiz in The East 2 - Lincolnshire Championship' was held in the clubhouse on Saturday 14th April. The winner on the day was Rob Sutherland with 96 points closely followed by Diane Hallagan (Lincolnshire Mastermind Champion 2017) on 95 points and Barry Simmons (member of TV's Eggheads) on 94 points.

It was a great format with an individual round, based on scores the quizmaster then formed pairs (top placed with lower scoring player) and final round was a team round, again with teams formed by matching high scoring with lower scoring pairs.

Our thanks to Lawrence Cook for organising, preparing the questions and acting as quizmaster and adjudicator for the day.

We hope to run a similar event next year, probably in the Autumn and hopefully a few more members may feel up to giving it a go next time.

Pictured (below) we have Rob Sutherland being presented with his trophy by Lawrence and the winning team from L/R of Alan Sharp (York), Gary Morewood (Sheffield), Andrew Hunter (Laceby) and Barry Simmons (West Yorks).
