### CAPTAINS APPEAL

**To Raise Funds for the  
Refurbishment of the Course Tees.**

I think we all would agree that this summer has been one of the best summers on record for playing golf, with baking hot days and long sunny evenings. I think we would also agree that course has held up well throughout this period. That is with one exception, the tees!

We are therefore looking to raise funds to put this right and make another significant upgrade to our course. We estimate that we will need in the region of £2700 to do the work. Money raised will be used to purchase materials to enable the refurbishment to take place. Labour will as ever be provided by the green keeper and his band of willing volunteers.

The good news is that we have the promises of like for like funding from two anonymous donors of £1350. In other words if you donate £50 the 'like for like' funding will make this into £100 pound for the club.

So please support this appeal by your captain and raise at least £1350 from members and secure the necessary £2700 to complete the work.

Donations to myself, Neal Hessleden or David Palmer. Thanking you in

# Captains October News

Hi Fellow Golfers,

Is it all about Trevor Thorpe?

“Does that say Goller or Gofer?”

Of course it isn't all about Trevor but you could be forgiven for thinking so! Not only does he win “Golfer of the Year” convincingly but then goes on to achieve a Hole in One on the Eighteenth in the E D Hall trophy competition. Congratulations to Trevor and of course Rick Wilson the overall winner of this 36 hole competition. As usual congratulations to all our winners.

The club finances are very very tight this year if we are to run a balanced budget. However, we still want to go on improving the course. This time in particular improvements to the tee areas. So I am promoting a “Captain's Appeal Fund” to try and raise at least £1350 from club members as we have been promised by two anonymous donors to match this with like for like funding making it to up to £2700. Every donation we received will be doubled up to the first £1350. This is a great opportunity, so please step up to the plate. If we achieve this it will give us about £150 to spend on materials for each of the 18 tee areas. See club notice boards and this newsletter for further details.

Don't forget that Pat Hand and I have a Club Social night arranged for Saturday November 17th. Two of our members Andrew Garbett and Joseph Jackson will be helping to entertain us together with the lead singer of The Landlubbers. Comedian Richard Armitage has also agreed to entertain us once again. A finger buffet supper will be included. The evening also includes a table top quiz and a raffle. See the club notice boards for details. Proceeds for club funds. Tickets £10 will shortly be available from committee members or from behind the bar.

I would remind you that there are a number of new golf rules coming in in January 2019. There are now many summaries of these new rules available on the web if you care to update yourselves.

As you will read elsewhere winter tees and mats will be soon upon us please ensure you adhere to the rule in order to keep the course in the great condition that we are accustomed to.

Another positive. David Palmer tells me that so far this year our pay and play clientele has been at a high level compared to previous years. No doubt the weather played its part but we'd like to think the condition and attractiveness of the course was a big factor.

The date for the Annual Dinner and prize giving is Saturday March 9th 2019. This is at the Baines Hall, Elland Cricket Club and we have also booked a “Ceilidh Band” as an added attraction. Keep the date free and join the fun. We'll be taking bookings from the beginning of January.

Finally the story goes one day that a player asked his coach: “What is going wrong with my game?”

“You're standing too close to the ball after you've hit it”, he replied.

Keep on golfing even through the winter. There is much to enjoy.

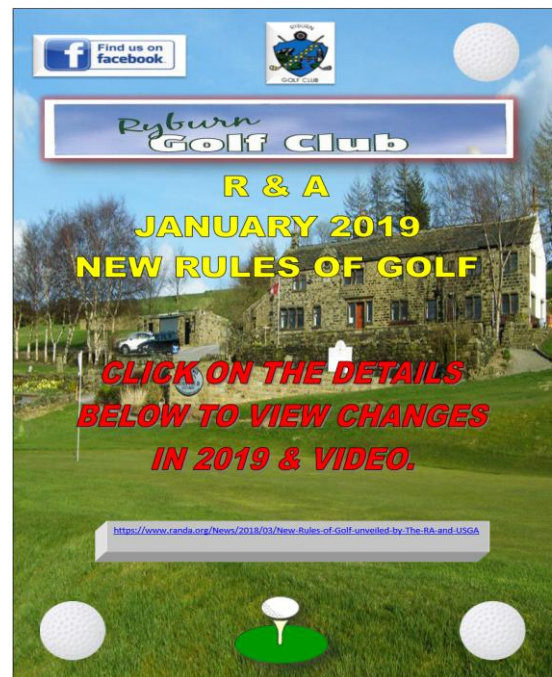

Don't forget the Winter leagues Fridays and Sundays. Together with the rollup on Tuesday morning. All good crack whatever your handicap and a good way to meet fellow members.

Enjoy your golf

**Greens Chairman.**

Following a very dry summer the course has now recovered thanks to the recent rain. The exceptions however are the tees which have struggled. The good news is the captain has kindly agreed to raise funds to renovate the tees as necessary. Posters will be displayed around the club to promote this initiative. We hope to raise £2700 to complete the work. Fifty percent of this amount has been guaranteed by two very generous donors who wish to remain anonymous.

Since we last met we have hollow tined, scarified, top dressed and seeded the greens. The work had to be completed earlier than expected as the greens were showing signs of wear and tear. Apologies to the members for any inconvenience this may have caused.

Can I remind members to repair pitch marks on the greens even if it's not their own. I would also ask members not to take trollies around the collars / fringes of the greens to avoid damage. One last request, can members please rake the bunkers and replace the rakes in the metal holders provided, with the rake end in the bunker.

Our efforts over the coming weeks and months will focus on preparing the winter tees and repairing the damage to the grass tees. Winter tees and mats will be in play from the 22<sup>nd</sup> of October.

Finally, we have recently noticed tyre tracks on the course suggesting we have some unwelcome visitors. We've also notice some areas of damage on the first green that look like someone has been digging their heels into the green. There have also been instances of men riding mountain bikes across the greens. Can I ask all members to be vigilant and challenge strangers or anyone acting suspiciously on or around the course and to make myself and the greenkeeper aware of any such instances?

Once again a big thank you from myself and David to all the people who continue to offer their services and volunteer their time to help out on greens.

N Hesselden, Greens chairman.

## ***Lady Captain Pat Hand October Report***

All the ladies had a great day on 13th Sept, when Mr.Vice Captain, Dean Brady hosted his Ladies Day.

It was a lovely sunny day and was won by Diane Rolinson. Nearest the 'Champagne bottle' on the 8th and nearest another Champagne bottle using a left handed club, caused lots of hilarity. The day continued with a lovely meal of Lasagne, Curry and Scouse made by Dean, all of which was delicious  
Thank You Dean.

Sadly our Ladies Festive scheduled for 11th October had to be cancelled due to lack of support, another local club had arranged an 18 hole completion on the same day. So instead , we ladies had a fun day, a 9 hole shotgun start stableford, played in unusually warm weather, followed by a fish and chip tea and games in the clubhouse

Our Annual Ladies Christmas Evening has now been confirmed for 23rd November at Pollino's Italian in Halifax.

Pat Hand. Lady Captain
