GOLF DAY

Friday 21st July 2017

Please Join Us

East Anglian Air Ambulance provides helicopter emergency medical service for the people of East Anglia. Since their launch in 2000 they have attended over 20,000 lifesaving missions, touching the lives of thousands of people across the region. Each call out costs on average £3,500, which is why this year's captains have designated East Anglian Air Ambulance as their chosen charity.
