

GENTS AND MIXED COMPETITIONS

Strokeplay / Stableford Competition - Administration

Following the appointment of Brian Leishman as our club professional there will be minor changes to the way these competitions are run.

Tee booking and signing in procedures remain unaltered however **entry fees and magic twos entry fees must now be paid in CASH at the Professional's shop.** Competitors must input their scores into the computer at the touch screen after their golf.

Weekly winnings and Magic Twos winnings will NOT now be put on competitor's loyalty cards but will be put on competitor's account with Brian in the shop.

The end of season winner's vouchers will also be vouchers for Brian's shop.

The Board is delighted to have an enthusiastic professional at the club, and the Directors would encourage you to pop into the shop, introduce yourselves to Brian and enjoy browsing and purchasing the wonderful selection of golf clothes, equipment and accessories.
