 I.W.JONES SEC/TRE G.PIERCY
 D.H.GRIFFITHS G.EVANS
2. APOLOGIES D.D.JONES M&HCP A.WILLIAMS PRESIDENT
 HUW JONES VICE CAPT

3. MINUTES OF PREVIOUS MEETING were read and approved proposed by GTJ and seconded by GP

4. MATTERS ARISING - The on line competition booking system seems to be working well and this is reflected by the increase in entries for each competition. Due to the fact that the morning entries are normally full the committee have decided to extend A.M times to 7:30 and this will come into force after Captains Day

The entries for Captains Day will close on 11th July with the draw made on the following day Thursday 12th July

The 3 club competition organised by the Captain proved to be a great success socially and he was keen to arrange another date for a similar event

5. MATCH & HANDICAP - In Dilwyns absence he advised that the 7 a side team had received a walk over in the first round when Harlech conceded their match and received a home draw against Betws y Coed in the second round .This match to be played on 12/13th July

- Clarification required regarding the arranging of matches in the club knock out events. This will be done at the next meeting when Dilwyn will be present

- The Coronation Cup was completed with Dilwyn Jones being the eventual winner, this competition being rearranged to cover the month of May turned out to be a great success with 32 entries and each round being completed by the stipulated dates. It has been suggested that this will be made a board competition next year

6. TREASURERS REPORT - It was reported that our balance sheet is healthy at present with the members grant yet to be added to our income

Competition entries are looking good and if they continue the upward trend until the end of the season it will be very encouraging indeed

The Union Card sales, after a promising start, have recently come to a halt

Team entries of £50 were paid to the Caernarvonshire union for the 7 a side entry

We are awaiting an invoice for the 2 photographs we took over to Ireland this will approximately be around £90

7. COMMITTEE REPORTS Executive - Nothing to report

Greens - No meeting but the Captain was thanked for the work he has done on the 1st ditch and the clearing of the pond and tree cutting around the 6th green, all in agreement it had made a wonderful improvement to both holes. The Captain advised that phase two of the work around the 6th should commence mid to late September

- The STRI report was very encouraging with some very favourable comments however the main concerns were the drainage of the 9th and 5th green and should be given highest priority and bunker improvements to be on this years' winter programme

- One of our greenstaff, Aled, is now on sick leave and we all wish him a speedy recovery. In his absence we hope the course will not suffer and should additional staff be required it is hoped that the Greens should view all possibilities

- A new young recruit has been taken on for the summer months and very positive reports have come in for Tom Lewis. Well done Tom keep it up

House - A new cleaning contract has been deployed

- A suggestion that some hanging baskets might look nice around the clubhouse but we were advised that this had been a health and safety issue in the past .It was agreed that we approach Dave Smith to hear his opinion

8. A.O.B The prizes for Open Week were discussed and agreed

Gary Kilmister is soon to leave his post as club Professional and we as the Mens Committee wish him well for the future and thank him for his contribution over the past 4 years

Another 3 club competition is to be arranged for Friday 27th July, the evening of the Town Bowl Auction. The comp to start at 6 followed by a presentation for outstanding competitions and then the Town Bowl auction at 9p.m

9. DATE OF NEXT MEETING Monday 13th August @7:30

Meeting closed at 9:10
