

## **Rule 2 - Match Play**

### **2-1. General**

A match consists of one side playing against another over a stipulated round unless otherwise decreed by the Committee.

In match play the game is played by holes.

Except as otherwise provided in the Rules, a hole is won by the side that holes its ball in the fewer strokes. In a handicap match the lower net score wins the hole.

The state of the match is expressed by the terms: so many "holes up" or "all square", and so many "to play".

A side is "dormie" when it is as many holes up as there are holes remaining to be played.

### **2-2. Halved Hole**

A hole is halved if each side holes out in the same number of strokes.

When a player has holed out and his opponent has been left with a stroke for the half, if the player subsequently incurs a penalty, the hole is halved.

### **2-3. Winner of Match**

A match is won when one side leads by a number of holes greater than the number remaining to be played.

If there is a tie, the Committee may extend the stipulated round by as many holes as are required for a match to be won.

### **2-4. Concession of Next Stroke, Hole or Match**

A player may concede his opponent's next stroke at any time provided the opponent's ball is at rest. The opponent is considered to have holed out with his next stroke and the ball may be removed by either side.

A player may concede a hole at any time prior to the start or conclusion of that hole.

A player may concede a match at any time prior to the start or conclusion of that match.

A concession may not be declined or withdrawn.

(Ball overhanging hole - see Rule 16-2)

### **2-5. Doubt as to Procedure; Disputes and Claims**

In match play, if a doubt or dispute arises between the players, a player may make a claim. If no duly authorized representative of the Committee is available within a reasonable time, the players must continue the match without delay. The Committee may consider a claim only if the player making the claim notifies his opponent (i) that he is making a claim, (ii) of the facts of the situation and (iii) that he wants a ruling. The claim must be made before any player in the match plays from the next teeing ground or, in the case of the last hole of the match, before all players in the match leave the putting green.

A later claim may not be considered by the Committee unless it is based on facts previously unknown to the player making the claim and he had been given wrong information (Rules 6-2a and 9) by an opponent.

Once the result of the match has been officially announced, a later claim may not be considered by the Committee unless it is satisfied that the opponent knew he was giving wrong information.

## **2-6. General Penalty**

The penalty for a breach of a Rule in match play is loss of hole except when otherwise provided.
