Junior Presentation celebrates achievements

Farrington Park junior section gathered for their annual presentation in January. It was clear from the vast number of young golfers present that the future of the junior section at Farrington Park is looking very healthy indeed.

Men's Captain Gary Prater, 18 hole Junior organiser John Russell, 9 hole course organiser Mark Wickham, Club Director Jon Cowgill, PGA pros Jonathan Lawrence and Terry Williams and all other junior organisers were on hand to present all the prizes to the deserving junior golfers. Tiger of the Year went jointly to Maisie Dezis and Stanley Dash, Most spirited Tiger of the Year went to Darcey Matthews, Most dedicated golfer Reece Tucker and 18 hole Club Champion Abby Gray was presented with her trophy. Outgoing Junior Captain Abby also handed over the Captaincy to Jackson Carey with Jake Russell becoming Junior Vice Captain. In all, over 30 juniors received prizes from the year's golfing. Congratulations to all.

Let it Snow

Last weekend saw the return of the snow. Let's hope it stays away from now on. The course was back open on Tuesday but the rain is topping up the remnants of snow. It will be Spring soon!

Chefs at Farrington Park

We have started interviews for a new Head Chef and the applicants so far have been of a very high standard. We have been lucky to keep Sam Burton and our agency chef Alan has also been excellent. Why not come up for a treat for our Valentines Steak Night. Details on the website. www.farringtonpark.co.uk

News from the course with Andy Grabham

January has been the driest month since records were kept from 2006 at Farrington Park. A total of 24 dry days and only 29.5mm of rain recorded is amazing!! Without a prolonged cold spell to lower soil temperatures so far, has meant grass has continued to grow and recover in areas affected from the summer and disease scaring, which has helped. With the unusual weather patterns of late, has meant we have been able to get out on the mowers to cut tees, aprons, fairways, rough and even greens with the ride on! Also allowing us to put some of the shortened holes back to longer ones until the wet weather arrives.

Other jobs/projects that our team have been busy with are:

- Painting course furniture (benches, hazard posts, marker posts)
- Machinery maintenance (fluids changed, greasing, sharpening blade, repairs etc)
- 16th works
- repairing the driving range netting
- disc slitting fairways and aprons (to help promote new growth in the spring and aid water movement through profile)
- general day to day routine jobs (range balls, holes, bunkers, markers and dew removal on greens)

Update on what's been done and still to complete on the 16th is, All trees planted (x24), Oak tree removed (stump removal/burning still ongoing), scrub cut down and hedge to the right of path near 7th Manor tee, green tee shaped, irrigation line dug in, white and yellow tee complete (just needs topdressing and bank turfed/seeded).

Still to complete is, realign OB on the left, aiming post put in, 150yrd markers moved, long grass area to the right flailed down, tidy/seed scrub to the left, turf/seed green tee and carry, remove/burn oak stump, reshape fairway, semi-rough, rough, and erect netting between trees to protect balls entering into property after the tennis court.

We hope to finish these last few jobs ASAP. When all work is complete we will be able to put the hole back to a par 4.

News from the course with Andy Grabham

The start of February has brought us 12" of snow and 2" of rain and counting. This has meant course closures and temp closure of certain holes/greens (1-5 and 12th). With the outlook looking dry after this weekend, we will do our best to open the full course again asap.

Some dates for your information on when greens maintenance will be planned to take place (weather depending) are,

Week commencing Monday 4th March - Grading the greens (6mm depth, removing thatch), topdressing, sorrow rolling, rolling.

Week commencing Monday 1st April - Hollow tining greens (13mm tines), topdressing, fertilising, rolling. Depending on weather, maintenance should be done mostly on Monday and Tuesday for the Duchy Course and Wednesday/Thursday for the Manor Course. Temporary holes will be in play as we carry out work on the greens. Fingers crossed for an early spring warm up.

Please remember to take a divot bag and fill/replace divots and most importantly fix any pitch marks you see or create.

Thanks

Andy

FEBRUARY PROMOTIONS

GET A GRIP MONTH

Re-gripping your golf clubs is often over looked, Formula One drivers wouldn't drive their car with bald tyres so how can you expect to hit good golf shots with slippery, worn grips.

As a golfer you have a wide variety of replacement grips available. However one of the most popular and main reasons we change the grips are to replace worn-out, slick grips that contribute to excessive grip tension and pressure.

In theory grips should be replaced every 40 rounds or every 30 rounds if you're spending a considerable amount of time at the practice range. Regardless of rounds played, a grip should always be replaced at the first sign of noticeable wear such as hard surfaces, shinny patches, cracks, wear spots and complete loss of tack.

Improperly sized grips and grips that aren't suited for certain weather conditions will negatively impact your game and cost you strokes. Comfort, consistency, shot dispersion and shot distance can all be improved with new golf grips. In the professional shop we offer a wide variety of size, material and style options to suit the needs of all golfers.

Prepare your Putting *Lower your score by 5 shots*

Putting is one of, if not the most, important part of the game and can save lots of shots with a little bit of coaching and practice. I've got 3 key putting practice routines I would like you to try before the on:

Distance Control

1. Start off 2 feet from the hole with 20 balls or less and try to sink as many as you can. Take a pace back and repeat this process until you are as far away from the hole as you can get.

Scoring

2. Play 9 holes around the putting green and try to achieve the lowest score possible then record your score, with your next go try to beat your score.

Pressure Putts

3. Position 20 balls 2 feet from the hole and try to sink them all in a row if one is missed you have to start again. When you have to hole that 20th putt you certainly feel some pressure. This definitely will help to handle some of the pressure 's experienced on the course. If you this comes easy to you increase the amount of putts, but do exceed 100.

Book a coaching session today, email: Jonathanl@farringtonpark.co.uk

News from Head PGA Professional Jonathan Lawrence

PLAYER OF THE MONTH

My player of the month I'm pleased to announce is Colin Hawkins. He has been working hard on his game and made a very big improvement to his swing, and the journey hasn't been easy but Colin has really stuck at it and should be very proud. Well done Colin, keep the good work up.

Colin in Action

Hit The Ball Straighter

A lot is talked about the big hitters and how amazing they are, however if you take the biggest hitter on the PGA Tour right now "Morgan Hoffmann". He leads the driving averages with 318.5yds, however he is 205th in the driving accuracy averages and 193rd in scoring average. This coincides with Bubba Watson's driving average dropping however he is now No.1 in scoring average. So come and have a golf lesson with me and get that ball going where you want it to.

PGA Professional Terry Williams

How far do you hit a 7 iron?

To answer this question you need to know how far the ball carries.

The fact is you are capable of hitting it many yardages, but let's assume for a second that you hit 7 perfect 7 irons the next 7 days.

Day 1 ball ends up travelling 165yards because it's frosty (similar to the ball landing during drought conditions like last summer)

Day 2 135 yards because you were against the wind playing the 3rd hole on the Duchy

Day 3 170 yards flyer from the rough on 18. You got the flyer due to the good lie in the rough and as you know anything landing short of 18 tends to bounce on.

Day 4 145 yards on the 17th hole. For some reason possibly the atmosphere of the surrounding water this hole plays longer.

Day 5 150 yards plugged in the green because it's tipped down all night

Day 6 140 yards you got a mud ball

Day 7 180 yards slight wind behind from elevated tee on the 12th

If you know your carry and calculate the rest you have a better understanding of the conditions, try and watch the recent chat between Bryson DeChambeau playing his shot into the 18th at the Dubai Desert Classic it is something else...fully loaded with info!!!

Those of you with yardage watches showing 3 yardages Front, Middle and Back if you have calculated the wind as neutral, I would get you to ignore Front and Middle and play to the Back yardage due to the soft ground after the snow. The best place to learn carry yardages is in the simulator, give me a shout if you would like to get all the data with me!

Future of the game

At our recent Junior Presentation I had the privilege of awarding some very talented juniors.

Most spirited Tiger of the Year went to Darcey Matthews, who just keeps smiling and improving every session due to good listening and never giving up.

Tiger of the Year was way to decide because Maisie Dezis and Stanley Dash give it their absolute all at every Tigers session and they also come up many other days and nights of the week to work on their game.

This kind of attitude doesn't go unnoticed and Jonny, Alex and myself are looking out for the boys and girls that go that one step further to win Most Dedicated Junior Golfer of the Year.

This year we awarded this trophy to Reece Patterson who would play in the dark if he could, we have seen Reece and his Grandad walking off the course many wet dusky evening.

Chris Wood recently tweeted a picture of one of the young juniors at Long Ashton practicing his putting in pouring rain with an umbrella tucked down his back and shortly afterwards the young lad went on to win a major junior trophy.....Hard work like this pays off so keep up the good work Reece we enjoy watching you grow as a golfer.

It was also great to see the older juniors share the spoils, trophies and monies and good luck also goes out to Jackson Carey and Jake Russell, who take on the Captain and Vice Captains role. The juniors at Farrington are in good hands.

Junior Coaching Day nearly full!

The ever popular junior Coaching Day is on Thursday 21st February and I only have a few spaces left. 9.30am – 3.00pm. For all levels. Ages 4-16 years. All equipment provided. Lots of fun activities and prizes to be won. Lunch included. Cost £30. Please call 01761 451596 ext 110 to book.

GOLF MEMBERS NEWSLETTER

Ladies

The ladies had the chance to work off any festive extra calories and the post Christmas blues with a 123 Waltz Bowmaker competition on Thursday, 3rd January; their first competition of 2019 over 18 holes on the Duchy winter- shortened course. Playing in teams of three, the Stableford scoring was best score to score on the first hole, two best scores counted on second hole and all three scores counted on third, before repeating the procedure with subsequent holes. The cold air temperature meant brisk walking was the best way to keep warm and the scoring from the top five teams was equally hot !

Nadine Spong and Lin Papadopoulos had two spot birdies at the 15th hole, but the "Birdie Queen of the Day" was Rosi Brown, who had three, at the 5th, 15th and the tricky 17th.

Three teams scored 71 points and had to be separated by countback to ascertain 3rd place, with Jenny Howarth, Kay Clarke and Bridget Rylance winning through. In second place were Lally Gibson, Carol King and Margaret Seery with 72 points, but the winners by the wide margin of eight points were Clare Salter, Mandy Hobbs and June Symonds with 80 points.

Thursday 10th January was a chilly day with the temperature hovering around three degrees; it was a day to wrap up well against the cold and "club up" to get a golf ball going any distance. The ladies took on this challenge in a non-qualifying Stableford competition over the winter shortened Duchy course and acquitted themselves well. Fourteen birdies were scored over a variety of different holes with two spot birdies being made by Carol King, Clare Salter and Debbie Jones at 5th hole, Jacqui Gregory (1st), Gail Proctor (4th) and Gill Russell, who had two at the 5th & 10th holes. In Division 1, scoring was very close at the top. Gail Proctor was first with 39 points beating Gill Russell on countback into second place. Carol King took third place beating Jane Ball and Min Woodward on countback after they all scored 36 points each. In Division 2, Sandra Hares was first with 37 points, one point ahead of second placed Sue Forshaw. Debbie Jones was third with 35 points.

GOLF MEMBERS NEWSLETTER

Ladies

"Foursomes Fun" was the competition on Thursday 17th January; 20 pairs of ladies playing alternate shots with one ball using the Stableford scoring system. This is reckoned to be the most difficult format of all the team golf games to play, but on a bitterly cold but beautifully sunny day, it was the right choice as the pairs moved along at a brisk pace to keep warm. The pairs played off a combined 50% handicap between a range of 23 and 28 to even up the handicaps.

None of the teams reached 36 points, but countback had to be employed to separate the second to fifth placed teams. Margaret Seery and Jenny Howarth took second place on countback ahead of Jane Ball and Kay Clarke after both teams scored 33 points. 32 points on countback secured fourth place for Denise Baker and June Symonds, edging Pat Roscow and Fiona Hassard into fifth. Two points clear of the field with 35 points were the winners, Carol Jones and Jill Holland (pictured).

FARRINGTON PARK

GOLF MEMBERS NEWSLETTER

Ladies

After the “mini-freeze” of mid-week, the ladies were glad to have milder weather for their “High, Medium, Low Blind Date” competition on Thursday, 24th January. The Duchy Course was nearly back to its full length as the drier conditions meant that several shortened holes could be re-opened to play over their full yardage.

There were seven two spot birdies from Clare Salter (1st), Jackie Walker & June Symonds (4th), Lally Gibson (5th), Pauline Young (10th), Bridget Rylance (15th).

Each competitor played to her full handicap and the resulting Stableford score was matched at random with two other scores from high, medium or low handicaps to provide the team score. A “ghost” player had to be used in the calculations because there was an odd number of players.

The final results were:

1st place: Wendy Butt, Fiona Hassard & Jenny Howarth 95 points.

2nd place: Carol King, Sandra Hares & Jane Richardson 94 points

Joint 3rd place: Maureen Charlton, Lally Gibson & Denise Baker 90 points

and Jackie Walker, Pat Roscow & “ghost” 90 points

The temperature was minus three degrees and snow had been forecast to arrive at midday, fortunately it did not; but it was no surprise that the field was smaller than normal for a non-qualifying Stableford on Thursday, 31st January. There had been a hard frost overnight and the grass and trees were sparkling with the hoar. The twenty three lady competitors had to use coloured golf balls, because white balls were camouflaged when they landed. The ground was so hard that the ladies quickly realised that the fairways were playing like the summer; their balls were running out for yards but it was a different matter on the greens. Some greens were quick, others very slow where the balls gathered ice as they rolled towards the holes. It was “crazy golf” as balls bounced crazily in all directions, but great fun, especially when a good shot turned into a very good one with help from the ground conditions.

The par 3 fifth hole yielded two spot birdies for Kay Clarke, Jackie Walker & Angela Hudd. Carol Jones had two birdies at the par 3 4th & 10th holes.

At the end, 33 points was the winning score for both divisions. Clare Salter took the honours in Div. 1 and Kay Clarke in Div. 2. 31 points secured second place in Div. 2 for Lesley Stone with third place going to Denise Baker with 27 points. Countback was employed to decide the second and third places in Div.1 after three players scored 30 points. Jackie Walker took second place with a better score over the last three holes. Third place went to Jane Ball, just shading Gail Proctor into 4th place.

Mixed

Farrington Park's Mixed Section welcomed in the New Year with a "January Jumble" competition on Sunday, 6th January.

It was a chance for the golfers to walk off their festive calories playing a Two Ball Scramble Stableford over the winter shortened Duchy course. The "Jumble" element of the day comprised of the competitors not playing with their usual partners and the tee boxes were swapped on three holes meaning the men played on the ladies' tee boxes and visa versa for the ladies. Six other holes were played from the same tee boxes and the remaining nine holes were played from the usual positions. There were two "nearest the pin" holes. Terri O'Shea and Paul Panton were closest to the pin on the 4th hole and Lin Papadopoulos and Keith Shepherd did likewise on the 15th.

As this was only the sixth day since the new Rules of Golf had been implemented on the 1st of January, this was a good chance for everyone to test their new found knowledge !

After a very tasty carvery meal, the competition results were announced. The calm weather conditions helped to ensure that the winning teams' scores were very high.

4th : 54 points Sue Forshaw and Steve Hobbs

3rd : 55 points Kay Clarke and Mike Woodward

2nd : 55 points on countback Sandra Hares and Jon Coates

The winners with a fantastic score of 57 points were Margaret Seery and Pierce O'Shea.

Pictured: Winners: Margaret Seery & Pierce O'Shea

Seniors

A frosty start to 2019 greeted the Seniors at Farrington Park for their first competition of the year.

Following the seasonal festivities, it was not surprising to see an array of new golfing jumpers and jackets on display. Some however just a little snug in certain places!

An excellent field of 70 plus golfers ensured that the Bowmaker competition would be keenly contested and they did not disappoint. With 5 prizes up for grabs four teams had identical point scores. The winners however were unassailable with a massive 91 points, eight clear of their nearest rivals.

The annual handicap review is in the offing and Roger is already sharpening his pencil so look out, you know who you are!

Results:

Andy Snook/Jim Farmer/Mo Duery 91 points;

Mike Hedges/Chris Liberty/Alan Smith 83 points;

Steve Ball/Steve Banfield/Steve Mitchell 83 points;

Ham Ridene/Martin Clarke/Steve Park 83 points;

Mike Ashwin/Brian Brown/Dave Harvey 83 points

Nearest the Pins: 5th Ham Ridene, 8th Brian Brown, 15th David Metcalfe

IT'S PARTY TIME AT THE PARK

You know what it's like. That very fine rain that gets in everywhere. That gets you really wet. That gets you really annoyed. It did improve though. Unfortunately, those who had the later tee times had another dousing before they had finished their round. Now that is really annoying.

There is a brighter side however as Don Perry managed to ace the 5th for his first ever hole in one. A nice drop of scotch for those who finished their round in time. George Tyrrell gate crashed the party managing to score three 2s on his card and went home a happy man with as much dosh as the winning team. Maybe we'll call him Triple G from now on (wasted if you're not a boxing fan!)

Results:

1st Dave Harvey/Ray Guthrie/Mel Field 77points on countback

2nd Alan Elkington/Chris Liberty/Rob Chappell 77 points

3rd John Butler/Steve Banfield/Tony Clement 75 points

4th Steve Symonds/Mike Woodward/Fraser McGregor 74 points

5th Rick Clark/Steve Gay/Ian Clement 71 points

Nearest the Pins: on 8th Dave Harvey, 12th Mike Bradbury, 14th (in 2) Ray Guthrie, 15th David Millington.

2s pot: Bob Baker, Fraser McGregor, David Millington, Don Perry, Jeff Bruton, Nigel Punchard, Mike Bradbury with two and Triple G with three!

Seniors

ARCTIC BRASS MONKEYS

Brass Monkeys were in abundance on a freezing and slightly breezy Seniors morning.

Some excellent scores were achieved in this fourball betterball competition despite the Arctic conditions.

Results:

1st	Colin Glibbery & Chris Liberty	49 points
2nd	Alan Elkington & Peter Barnes	46 points
3rd	Bob Baker & David Elliott	45 points
4th	David Millington & Mike Rawlings	45 points
5th	Mike Hedges & Mo Duery	45 points
6th	Ray Guthrie & Rob Porter	44 points

Nearest the Pins on 12th Rob Thain, 14th Mel Field, 15th Steve Symonds.

There were ten winners sharing the 2s pot, Colin Glibbery, Rob Thain, Bob Baker, Paul Cains, Phil Bryant, Ham Ridene, David Millington, Fraser McGregor, Brian Brown and Tony Thorp.

WHEN HELL FREEZES OVER

Well it did! The town of Hell in Michigan, USA froze over during the recent polar vortex with temperatures as low as minus 35 centigrade. The UK meanwhile was positively balmy with local temperatures hitting minus 3 degrees. How do we cope! A non-qualifying Stableford was played with the course covered in frost and white greens adding to the testing conditions. Not that that seemed to bother too many of the Seniors - a hardy lot aren't we! Some really good scoring was achieved in all three divisions with Dave Lewis out scoring everyone with an excellent 38 points.

Results:

Div I F Grist 37, A Snook 36, D Perry 36, B Brown 35, R McKeegan-Brown 35

Div II J Farmer 37, P Maule 36, K Gould 34, S Gay 34, M Clark 34

Div III D Lewis 38, M Field 35, R Stone 33, A Smart 33, J Kelly 32
