## Lifestyle membership

This is designed to offer flexibility to those for whom full 6- or 7-day membership is not possible for reasons such as time or financial constraints.

It offers many of the advantages of full membership, the ability to upgrade to full membership at any time, and to “top-up” the annual cost if the golfing credit has been used up.

To clarify:

### ***The features of this membership are:***

- the fee on entry is £325 per calendar year, of which £240 is available for playing golf (the balance is for the bar card which offers discounted prices at the bar, and for county affiliation fees);
- this £240 credit is used for playing golf at the green fee rate payable for 9 or 18 holes, as appropriate, at the relevant time of day;
- Lifestyle members will be required to check in with the professional before playing so that the relevant amount can be deducted from the credit balance;
- they can top up their account at any time in tranches of £150;
- Lifestyle Membership will expire at the end of the year (i.e. 31<sup>st</sup> December) and the member will be required to re-join at the initial fee rate;
- unless the individual renews the membership, any outstanding credit is forfeit at the end of the calendar year;
- if the membership is renewed, any unused credit at year-end will be carried forward into the following year;
- if a member upgrades to 6- or 7-day membership, any unused credit will be taken into account in calculation of the fees payable for the new membership category.

### ***Additionally,***

- members will be entitled to obtain a CONGU handicap if they do not already have one;
- they will be able to play in and win monthly medals and non-board competitions (i.e. those which do not have winner's names entered on the honours boards in the clubhouse), and any competitions organised by the professional;
- they will be registered as members of the club with the County Union;
- the Lifestyle member will be able to buy a County Card entitling them to discounted golf in many locations.

### ***Who is eligible for this membership category?***

- new entrants to the club;
- past members who have resigned and who may or may not have joined another club;
- current 6- or 7-day members, should they wish to change on membership renewal in January;
- all intermediate members at the end of their 12 month membership period.
