

## June 2018 Members' Newsletter

### Membership renewals

By now, all July 1<sup>st</sup> renewal members should have received their invoice for the coming year. Please let us know if you haven't received it or if you have any questions. 01761 451596 ext 112.

### Thomas Cup and Max Stone Chalice

The first majors of the year have been played. Frankie Dezis (Ladies Thomas Cup) and Phil Thompson (Max Stone Chalice) were victorious over the 36 hole championships. Full report in the July newsletter.

### Planning application

The application is still moving along slowly. We had a further meeting with the Planning Officer and Conservation Officer last week at the Mendip Council offices.

The issue to be addressed is the protection of the land for the new holes. The land in question is regarded as 'Grade 2 listed parkland' and there are criteria that need to be fulfilled before we can move ahead. We have two further surveys to be carried out and the decision date will undoubtedly be moved to late July. Speak to Jon Cowgill in the office if you have any questions.

### Three generations at Farrington Park

Tony (80), John (51) & Jake Russell (14) all played together in the competition last weekend. The opposite photo constitutes three generations of Russells and 145 years of experience. They are not the only three generation family at Farrington Park. The Parks, Salters and Rawlings also play their golf at our family-friendly club.

## News from the course with Andy Grabham

What a difference some warm and dry weather makes!!!

Finally, with some nice weather the course has come on leaps and bounds over the past month, the greens have come out of the winter period better than expected. It's nice to be able to present a golf course after the long winter. Thank you for all the positive comments about the course condition of late, we really do appreciate your feedback.

With the soil temperatures heating up, we can start to tackle the all-important thatch layer, with the use of chemicals and cultural methods. In the past week we have carried out the following cultural process to all 30 greens.

- Sorrow rolled (little 2cm spikes)
- Cutting behind at 4mm
- Topdressing
- Tining with 8mm tines to a depth of 5"
- Brush in the sand with the sweep and fill brush
- Roll with the turf iron
- Change the hole

This process will take place monthly where possible, along with chemical input for thatch reduction.

On 5 greens, 5, 12, 17, top putting green and little putting green, we are trialling a few products to help improve the root depth and CEC (cation exchange capacity), which means the soils profile ability to hold onto nutrient for longer and help create an environment where roots want to go down to get. I will keep you posted on the results later in the year.

Selective weed spraying will be ongoing over the next month when conditions allow me to spray. All fairway, aprons and some of the tees have already being done.

Granule Fertiliser has been put out on all tees and some aprons, again this will be finished when rain is imminent to minimise scorching to the grass.

Hope your all looking forward to the major competitions coming up, I know we are keen to present the golf course in the best possible shape for you.

## News from the course with Andy Grabham

### Last week's slow greens!

Some of you commented on the slow pace of the greens last week. The greens have slowed down in pace due to several key factors. We are still cutting at 4mm every day, that hasn't changed. During the dry, hot spell the greens go under great stress and the plant shuts down (resulting in minimal growth). So, when you go from hot dry weather to wet, humid, no wind, heavy dews and the plant stays wet for long periods, you are susceptible to disease (fusarium). Pathogens of the fungal disease live in the thatch layer and produce spores (mycelium) very quickly in the right conditions, they spread through moisture and traffic, that's why our focus is to reduce the thatch layer to help prevent these outbreaks in the future. The red/browning blotches all over the greens is disease. The fungicide chemical to kill the disease is no longer available for

use. Preventing it or growing it out with strong grass growth are the only options. I have fertilised the greens to try grow it out as quickly as possible. With temperatures staying in double figures for constant 24hour periods the grass grows at fast rates, resulting in a flush of growth and thick sward. (more grass means more resistance on the golf ball) meaning a slower roll. Usually to combat this and keep the speed fast we would verti-cut to thin them out and light top dress to create less friction. The problem is verti-cutting is a blunt cut and makes turf even more susceptible to disease. So, now the only thing we can do is cut and roll/iron them as much as possible until the conditions allow us to carry out further practice.

Sorry, I don't want to have slow greens either, it's not by choice and sometimes you must do what's right for the grass.

Good luck

Andy

## ***Tip of the Month*** ***Weight Transfer,*** ***The Good, The Bad & The Ugly***

If you try to “shift” weight to the right in the backswing, you will likely slide your hips over to the right while trying to keep your head still. Your core will have to move out from under your head, and your upper body will be tilted the wrong way – back towards the target. The spine angle has literally reversed itself.

Think of the motion as more of a pivot not a shift of weight. The right hip will pivot back and then around – actually coiling back toward the target slightly, not drifting sideways to the right. The right foot will stay braced on the instep, and the leg will remain leaning inward. So think of it this way, weight transfer happens due to the rotation of our bodies as we swing the club to the top. Misinterpreting a phrase or phrases in golf is one of the main reasons why long term problems are caused in the golf swing, including injury. To know more, come and book a session with me today.

## **PLAYER OF THE MONTH**

My player of the month has to be Ben Ingle. He's worked hard on his game and made some big improvements to his swing and is hitting the ball very well. Well done Ben and keep the good work up.

## **BEN IN ACTION**

## **DO YOU WANT TO HIT MORE GREENS?**

I'm sure the answer to this question is yes, however there are some key fundamentals we need to understand and improve, the components that directly effect the result are strike, direction, club selection and swing speed. With the help of the Skytrak we are able to directly pin point the area that needs to be worked on and recommend a practice routine. The image below give you an idea of the data we are about gather from the shots you hit, which is a massive help when it comes to improving your consistency. If you wish to hit more greens and consistently play better come to the Pro Shop and book a lesson or a course of lessons with myself.

## PGA Professional Terry Williams

### Tigers getting a treat

Firstly, thank you for the support from a couple of members in Simon Wilkinson and Martin Thatcher. The Tigers who have competed in a 9 hole competition are going to receive a very nice golf polo shirt, thanks guys for your donation.

In the coming weeks the shirts will arrive and we want to get a nice photograph of you all showing off your new polos.

It's very rewarding to see a Tiger turn up to their first coaching session and then grow in confidence and feel he or she can compete in the 9 hole manor course competition and its then great to look at the results at the end of the day emailed through by our amazing 9 hole junior organiser Mark Wickham to see how they have all done.

9 hole competitions are Sunday the 1st and 3rd Sunday each month at 12.30pm

If you would like any information on Tigers or the 9 hole competition please come and have a chat or email me on [terryw@farringtonpark.co.uk](mailto:terryw@farringtonpark.co.uk)

The first Tigers session is free, so if you know of a boy or a girl who would like to get on this journey and receive a free shirt once they compete in the 9 hole competition then turn up to Tigers at 9am on a Sunday

The pathway for the juniors at Farrington Park is fantastic so come and join in with all the fun!

### Who needs a Yardage Gapping Session?

Below are the yardages of two of my pupils who asked for a Gapping Session on our Foresight Quad Simulator.

The Quad is one of the best simulators on the market and is being used by many tour professionals to improve their game.

I can even change the weather conditions and ground conditions to match the current condition on the course at Farrington at the moment.

It's starting to get really bouncy!

## Captain's Blog

Well done to the team of Dave Brain, Mike Hillier Kev Brimble and Phil Button (French tour Champion) for taking the top spot in this years Spring open with 98 points. I would also like to thank all the competitors for buying boxes on the numbers draw and raising £225 for the Captains Charity, and a big Thank You to Lady Captain Rosi Brown for organising this.

For all of you that have signed up for the Captains Away day at the Dorset it is now the time for me to collect the entry fee of £50 so I can confirm final numbers and send payment to the Dorset. Could all who have yet to pay please give the money directly to me on the weekend of the Max stone or put it in an envelope and leave it in the proshop. Thank You.

On Saturday August 11th Rosi and I plan to run a joint Captains day supporting the Captains Charity. The format for the day is yet to be decided but there will be plenty going on and some great prizes to be won. I am hoping to support the day by getting each hole sponsored for Charity. If anyone is interested in being a sponsor or would like further information then please contact me either by email at [sjphelps66@gmail.com](mailto:sjphelps66@gmail.com) or call me on 07763798024. Thank You in advance for your support.

Happy Golfing  
Shane

# FARRINGTON GOLFING TIMES

## Men

### Saturday Medal 5/5/2018

The first medal of the summer season played in calm conditions at Farrington with some excellent scoring in both divisions. In Division 1 Mark Chivers took top honours with a round of 85-71 followed by Mike Hillier a close second with a 85-72 with Simon Waller third with a round of 86-73. In Division 2 it was Charlie Holmes taking control with a 87-72 followed in second by Nick Farrar with a 95-72 and Jeff Bruton third with a 89-73.

### Sunday Medal 6/5/2018

The Sunday medal was played in beautiful sunshine and great conditions with Jamie Lake taking the honours with a 84-72 followed in second by Liam Copp with a 73-72 and Kevin Kehoe third on 85-73. In Division 2 Nick Hemmings in first place on 92-73 beating Lee Matthews on count back into second 92-73 with Ben Park third on 94-78.

### Saturday Stableford 19/5/2018

It was all tight at the top of Division 1 in the Saturday Stableford with three players all on 40 points with Shaun Rawlings taking the honours in first place with Paul Broadway second on count back and Seamus Ivory taking third spot on the same score.

In Division 2 Mike Pollock topped the league with 38 points beating Matt Horler into second on count back and Nick Farrar a close third on 37 points.

### Sunday Stableford 20/5/2018

With the course drying out very quickly Mark Chedgy took the honours in Division 1 with 40 points followed by Guy Adams close on 39 points in second and Phil Heyslop third on 38 points. A fantastic round in Division 2 from Mark Abrahams with a outstanding 44 points followed in second by Jeff Hayward on 36 points beating Steve Harmer into third on count back.

# FARRINGTON *GOLFING TIMES*

## Men

The Avalon team welcomed Minehead for the return fixture but the bank holiday weekend saw the away team arrive 1 pair short.

Paul Thomas and Tom Snelling claimed the first point and entered the club competition. The first competitive game saw Danny Farnen and Jack Cook fight back to secure a fine 2&1 win.

Alex Bendall and debutant Rob Paige were soon in control of their game winning 5&4 soon followed by Mark Adams and Charlie Wigmore who also won by a 5&4 margin. The last pair on the course were Nick Poore and Phil Heyslop who unfortunately couldn't fight off their opponents losing 3&2 for a final match score of 4-1.

The rearranged game at Oake Manor soon followed and the team set off full of confidence, Captain for the day Gary Prater sent Mark Adams and Charlie Wigmore out first but unfortunately they lost out.

Danny Farnen and Jack Cook fought out a halved match but Nick Poore and Phil Heyslop managed a fine win over a very strong Oake pair. Kevin Brimble and Alex Bendall continued the winning run and with Craig Adams and Gary Prater halving their game the team came away with a fine 3-2 win.

Saturday Stableford 26/5/2018

With the good weather of the weekend and the course drying out all the time some good scoring was established in Division 1 with a tie at the top with Mark Crook taking the honours on count back from Andy Bayley both with 42 points and Jamie Webb a close third on 41 points. A great score in Division 2 from David Glew on 43 points taking top honours followed in second by Eric Withey on 39 points and Joe Cox third on 38 points.

Sunday Stableford 27/5/2018

The Bank Holiday weather continued with great conditions to play golf with in Division 1 Steve Kingman on 37 points beating Craig Adams into second on count back with Ethan Flanagan third on 36 points. In Division 2 an excellent rounds from Paul Jones and Joe Cox both on 39 points with Paul Jones taking top spot on count back and Des Deane third on 37 points.

# FARRINGTON GOLFING TIMES

## Ladies

There was a good turnout for the Coppers' Novice Cup with 7 Coppers (ladies who are new to golf) competing on the Manor 9 hole course.

In really windy conditions the scoring was not too bad.

1st with a gross 89 was Sue Milford (pictured above with Coppers' organiser Mandy Hobbs)

2nd with a gross 93 was Sue Barnes, 3rd with a gross 97 was Jane Tucker.

The Saturday Stableford on 28th April attracted a small number of ladies. The wet and windy conditions meant the Duchy course "showed its teeth" and no player reached the par score of 36 points. Terri O'Shea beat Clare Salter on count back, after both ladies scored 33 points. Pauline Brixey was third with 30 points.

Spring temperatures have arrived at long last! The first medal competition of the year, a qualifying competition for the Dickenson Cup, took place in warm sunshine & a light wind. The Duchy course was in fine condition, although damp underfoot in places after the previous day's heavy rain. This did not help the majority of the field, who struggled to make a decent score. The CSS rose from 73 to 75 to reflect this fact. Two ladies who bucked this trend were Pauline Young & Carol King. Pauline finished top of Division 1 for the second week running; five shots clear of the rest of the division 1 ladies. Carol's fine round saw her five shots clear as well in Division 2. Both ladies received handicap reductions. Division 3 was won by Maureen Goodsir.

Two spot birdies were recorded by Wendy Butt on the par 3 8th hole, Carol King, Denise Baker and Margaret Seery had two spot birdies on the par 3 15th.

### Division 1 Result

1st Pauline Young 87-14c=73

2nd Wendy Butt 96-18c=78

3rd Jackie Walker 92-12c=80

### Division 2 Result

1st Carol King 92-23c=69

2nd Sandra Hares 105-30c=75

3rd Fiona Hassard 105-27c=78

### Division 3 Result

1st Maureen Goodsir 123-36c=87

2nd Jill Holland 132-36c=96

3rd Nadine Spong 134-36c=98

# FARRINGTON *GOLFING TIMES*

## Ladies

The second qualifier medal competition for the Dickinson Cup took place on Saturday, 5th May.

The players were blessed with very warm, sunny weather, temperatures soaring to 25C and ironically, after all the wet conditions of recent weeks, many players had to use their umbrellas to get some shade from the strong sunshine. Like the “Thursday Ladies” who had struggled to make low scores in the first Dickinson Cup qualifier the previous Thursday, the “Saturday Ladies” found it just as hard to do the same. The CSS increased to 75 to reflect these conditions.

There were a sprinkling of birdies, but equally some “cricket scores” on a couple of holes. Two spot birdies were scored by Jacqui Gregory and Dawn Stacey at the 5th hole and Corinne Durbin at the 15th.

Jacqui Gregory had the best round of the day in Division 1 with a nett 76, 3 shots ahead of second placed Terri O'Shea. Clare Salter was third with a nett 80. Jane Ball had a nett 82 to take first place in Division 2. Margaret Seery beat Linda Rogers on count back to take second place after both ladies finished on a score of nett 85.

# FARRINGTON **GOLFING TIMES**

## Ladies

At last, with the weather beginning to improve after a long cold Spring, the ladies were able to play the Spring events in better conditions. The Spring Open on May 10th attracted a field of nearly seventy ladies from Farrington Park and other local clubs.

A cold wind did not prevent anyone from having a great day.

Results as follows:

1st Overall Winners - Pauline Brixey, Gail Proctor, Jackie Walker with 79 points

1st Farrington Team - (Count Back) Mandy Hobbs, Sue Stilwell, Jo Carter with 75 points

2nd Farrington Team - Clare Salter, June Symonds, Jacqui Gregory with 75 points

3rd Farrington Team - Lena Warren, Jenny Ahlberg, Hilary Rowden - 72 points

Best Visitors Team - Judy Tanner, Rosemary Bickham, Diana Williams - 66 points

Nearest the Pin on 5th - Gail Proctor

Nearest the Pin on 10th - Jackie Hobbs

There were six Two Spots - Hilary Rowden, Jackie Hobbs, Sue Stilwell, Judy Tanner, Maureen Tayler and Rosi Brown. All receiving a sleeve of golf balls.

The Number Draw raised a magnificent £236.00 for the Captains' Charity. Captain Rosi Brown said "A big thank you to all the helpers on the day and to the providers of cakes. All much appreciated."

The Australian Spoons competition on May 19th was played using the foursomes format. This is a national competition with the winners going through to represent Farrington Park in the next round at another venue.

Results 1st Pat Roscow Peggy Edwards 35 points

2nd Jane Richardson Maureen Goodsir 34 points

3rd Min Woodward Cynthia Miller 33 points

Dawn Stacey & Pauline Brixey decided not to watch the Royal Wedding on Saturday, 19th May and entered the Saturday Stableford instead. They were rewarded "right royally" for their efforts with scores of 44 and 40 points respectively. Both ladies received substantial handicap cuts.

New lady member, Carol Redman showed the way in the County qualifying Stableford competition, the "Barlow Cup" on 24th May. Carol will represent Farrington Park in the next round.

### Division 1 Result

1st Carol Redman 36pts

2nd Tracey Watts 35pts

3rd Pauline Brixey 33pts

### Division 2 Result

1st Jenny Howarth 35pts

2nd Corrina Bates 33pts

3rd Bridget Rylance 30pts

## Seniors

### SAT NAV ON THE RIGHT TRACK

On a rather dull but particularly muggy morning Farrington Park Seniors took part in the Manor Course Championship.

Jeff Kelly is affectionately known as 'Sat Nav' (he'll tell you why) and his bearings on this occasion were spot on as he recorded a hole in one on the Par 3 course.

The winner of the Championship was Phil Thompson with a gross score of 61. In the nett competition the top 3 players all received a handicap reduction of three shots with the winner Seniors Captain Ray Guthrie shooting an impressive 42.

Pictured left to right Ray presenting Phil with the Manor Course Trophy.

## Seniors

### **SIZZLING SCORES FOR SENIORS**

Contrary to popular belief it did not ALWAYS rain on a Wednesday! The Seniors of Farrington Park can testify, under oath that since the turn of the year they have lost seven, yes seven Wednesdays due to the appalling weather conditions. Thankfully last Wednesday went some way to forgiving the weather gods.

The first qualifying medal of the campaign produced some excellent scoring especially in Div I with the top five players recording sub 70 scores.

Results:

Div I John Butler 68, Alan Taylor 68 c/b, Jeff Bruton 69, Barry Hall 69 c/b, Mike Bradbury 69 c/b.

Div II Pete Maule 70, Jim Farmer 71, Ray Guthrie 73, Kevin Gould 73 c/b, Steve Cope 73 c/b.

Div III Alan Smith 70, Andy Smart 70 c/b, John Holland 75, Rob Porter 75 c/b, Jeff Kelly 75 c/b.

Friendly Fixtures: Lost away to Long Sutton, won away to Mendip Spring.

In the Seniors Rosebowl Farrington Park beat Mendip Spring at the Isle of Wedmore. They now play Clevedon Golf Club at Stockwood Vale.

### **LARGER THAN LIFE**

Every year the Senior Section at Farrington Park compete for the Wally Sage Trophy. There are many senior members who still remember Wally who sadly passed away in 2006 and a larger than life character who once met was never forgotten. As new members join and compete for the trophy they are all curious as to the character of the Big Man. He was a much liked and popular member who enjoyed his golf and the socialising that went with it. His widow Jean Sage still enjoys her golf at Farrington and very kindly agreed to present the trophy to this years winners.

Winners of the Wally Sage Trophy were Rob Thain, Bill Waddington and Steve Park with 94 points.

2nd with 92 points were Ray Guthrie, Alan Elkington and Dave Lewis.

3rd with 83 points were Mike Bradbury, Phil Bryant and Nigel Punchard.

Nearest the Pins on 5th, Bill Waddington; 14th, Steve Banfield; 15th, Eric Nott; 17th in 2, Tony Quinn.

Friendly Match Result won 6-0 at home to Minchinhampton.

## Seniors

### SPARKLING CHAMPAGNE PERRY

Not to be upstaged by the Royal Wedding (you would have had to be on another planet not to know about that particular event) Farrington Seniors held their own grand occasion with the playing of the Diamond Jubilee Cup. Introduced in 2012 to celebrate the 60th anniversary of the accession of Queen Elizabeth II, competition is fierce to have your name engraved on this prestigious trophy. With the course in great shape there was no excuse for not taking full advantage of favourable conditions. This year's winner on a decidedly lucrative winning streak was Don Perry with a superb net 64. Now no longer enjoying a 17 handicap he was cut 2 shots for his efforts - a small price to pay for fame and popularity!

#### Results

Div I Don Perry 64 (winner of Diamond Jubilee Cup), Phil

Thompson 65, Bob Baker 67, Alan Taylor 68, Colin Glibbery 69

Div II Tony Clement 69, Steve Gay 70, Tony Thorp 72, Ray

Wilkinson 75, David Elliot 75

Div III Jeff Kelly 72, Boyd Francis 74, Rob Porter 77, Ian Clement 77, Geoff Skyrme 77.

Nearest the Pins on 5th Alan Elkington, 8th Peter Barnes, 14th Bill Sims, 15th Peter Collins.

Friendly Match results. Won 6-1 at home to Long Sutton.

Drew 3-3 away to Orchardleigh.

Photograph shows Diamond Jubilee Trophy winner Don Perry with 2012 Seniors Captain Rob Thain

# FARRINGTON GOLFING TIMES

## Mixed

### MIXED FRIENDLY AGAINST KINGSDOWN GOLF CLUB

At long last, beautiful weather greeted the teams from Farrington Park and Kingsdown for their first ever mixed section fixture at Farrington Park.

This friendly match was played to the Greensomes format. Matches were very closely fought, but the Kingsdown team (many playing the Duchy course for the first time), just had the upper hand and won the match 6 games to 2.

The Kingsdown players were very complimentary about the course and the facilities at Farrington Park.

A great day's golf was enjoyed by all. The nearest the pin prize on the par 3 5th hole was won by Dave Forshaw with a hole in one ! This was Dave's first ace after 17 years of playing.

Many bottles of wine appeared on the dinner tables, generously purchased by the star of the day.

### CRYSTAL BALLS GET IT RIGHT

The Met Office prediction was rain, thunder, lightning the whole

9 yards. What did we get? None of the above! From the off it was a glorious sunny day and no sign of inclement weather. Maybe we were just plain lucky. With couples participating in their first ever Mixed event and others thankfully filling in as last minute replacements an exciting day was enjoyed by all. A 4 Ball Better Ball was the format for the playing of the Stilwell Salver and scoring was extremely competitive with only 2 points covering the the top 6 teams. Those errant drives and short missed putts proving to be quite expensive.

Victorious on the day and needing no psychic intervention were The Balls, not crystal but Steve and Jane who pipped the field by one winning with 42 points. Mystic Meg is now officially redundant and seeking alternative employment. Good luck there then!

Post match drinks and joviality ensued and all went home joyously fed and watered.
