

Jubilee Charity Duck Race—June 2nd 2022

A massive thank you to everyone who supported our inaugural charity duck race. We had a lot of fun and raised a fantastic £535 for our charities. 107 ducks, some brightly decorated, were launched around 200yds or so upstream after the Texas scramble and barbecue.

Tom was at the bridge in his waders ready to announce the winners and ensured that the majority were rescued. There may, however, be 3 still happily swimming downstream!

Most ducks completed the journey in 6 to 7 minutes and the first 3 places were closely contested.

The winning duck belonged to Paul Slatter who received the coveted duck trophy and a jubilee themed hamper. Hampers also went to the second and 3rd place ducks.

The most chilled and some might say lazy duck belonged to Max Nicholls. It came in at least 10 minutes behind the others!

We hope to make this an annual event and may well instigate some additional hazards / rules for 2023!
