

LOCAL RULES **DURING COVID-19 RESTRICTIONS**

The Flagstick

The flagstick ***must*** remain in the hole when putting out. The depth of the hole has been modified to allow removal of the ball without touching the flagstick. The ball is considered holed if any part of it is below the surface of the putting green even if not lodged against the flagstick.

Bunkers

All bunkers ***are in play***, but there will be no rakes available for use on the course. When a player's ball lies in any bunker the player ***may*** take free relief by placing a ball in the bunker within 6 inches of where the ball lay, not nearer the hole. The position of the ball should be marked prior to lifting and it may be cleaned before placing.

It is ***not*** permitted to smooth the sand prior to placing. After your stroke and before leaving the bunker, please smooth over your footprints as best you can with a club and or your feet.
