Turkey / Voucher Competitions

Turkey/Voucher competitions are the only activity on the course and entries have been reasonably good but are very weather dependent but so far so good, no closed course in this Winter to date. The course itself is holding up well but gents, we must keep it like that by replacing divots. The great greens have also been praised this year and these can stay in good shape but members are becoming a little bit lazy about repairing plug marks. The greens are softer and the balls leave a plug mark more easily and we have to be constantly vigilant about their repair.
