OUR PEDIGREE

Founded in 1905 and designed by the former Open Champion Sandy Herd, our beautiful and challenging golf course is an 18 hole, Par 71, 6,373 yards long, played through picturesque tree lined parkland, with a lay-out that is the envy of many. The course has hosted The Open Regional Qualifier as well as many other major amateur events in recent years and is well known as one of the golfing jewels of the North West. Renowned for its exceptional catering and hospitality, the Club offers a very special and warm welcome to all its members and visitors.

Stockport is without doubt one of the premier clubs in the North West of England. Why not come and join us?
