HARROGATE ADVERTISER REPORT

Ciara and Dennis made their presence felt this week, the eponymous storms responsible for several days of course closure and the postponement of the final round of the Ladies' Winter Trophy.

There was brief window of opportunity on Saturday which allowed the scheduled 4BBB Mixed Stableford to go ahead as planned, albeit with a much reduced field, and the competition shortened to 9 holes. Given the strong winds and heavy rain showers, scoring was surprisingly good with countback calculations required to separate the placings. Winners were Graham Watson (17) and Russell Tanner (19) with 24 points, including 10 points from their back 3 holes which clinched victory ahead of Nigel Brown (13) and Andrew Booth (14) also with 24 points. William Mansfield (12) and Mike Needham (13) came third ahead of Richard Goodall (13) and Julian Graham-Rack (12), both pairs scoring 22 points. Rob Memmott (7) and Richard Little (11) were fifth with 20 points.

Members and guests shared a hugely enjoyable evening during the latest event in Pannal's varied social calendar on Friday 14th February. The entertainment at the Valentines Dinner was provided by the superb Casablanca Steps, a Great Gatsby themed musical experience with hilarious visual humour and a contemporary twist.
