Men's Notes:

Kevin O'Leary Motors Autumn Stableford: Once again, a large number of members lined up to play in Saturday's competition. This week it was the penultimate Player Of The Year Event in the form of The Kevin O'Leary Motors Autumn Stableford competition. For just the 2nd event of a shortened year the competition was run off the blue tees. With the weather gone cooler and the run on the fairways much reduced in recent weeks it took good course management to negotiate the course and no better man than Davy Hallinan to manage his way around. The leading four players on the day returned scores of 36 points. Davy with a super back nine of 21 points took the top spot. Next best was the card of Tom Byrne who had a back nine of 17 points. Gavin Smyth with a score of 34 points took the best gross prize while Donal Ryan with 36 points took 3rd spot on the back 9. John Byrne took 4th place with 36 points and seniors prize was won by P.J. Quinlivan with 35pts. Our thanks to the members who played and of course our generous sponsors.

Club Singles: A club singles began on Sunday and will run until Friday. This is the first 15- hole event of the winter. There was a good start on Sunday with limited numbers playing due to the ladies having the morning slots. With heavy rain forecast for the early part of the week it is likely that Thursday and Friday may provide members with the best opportunities to play.

Pavillion Cup: The final POY event takes place on this Saturday with the Semiton sponsored Pavillion Cup. Again, a large crowd are due to tee it up in this event. We look forward to seeing how this develops. Thank you to our friends at Semiton for their support.

World Handicap System: On November 2nd, a new handicapping system will be introduced. All players will receive a Handicap Index from the GUI in the coming weeks in advance of the introduction date. Members of the Ladies and Gents committees are busy working on all aspects of the WHS. Between now and the introduction date information slides will be displayed in the hallway in the clubhouse as well as on a TV in the hallway. Members should make themselves aware of the new system in advance of its introduction.

Course: The course condition is again the favourite topic of the members. The greens and the course in general are in fantastic shape and a testimony to the great work being done by our grounds staff. We urge members to help in the keeping of the greens in top order by repairing pitch marks.
