

THE 2020 FIXTURE LIST

-ooo-

THE 2019 FIXTURE LIST HAS NOW ARRIVED AND AVAILABLE FOR YOU TO COLLECT, EITHER FROM JAN & THE LADIES BEHIND THE BAR OR FROM TONIA OR CLAIRE UPSTAIRS IN THE OFFICE.

Following the GDPR legislation that was brought into effect last year, members will recall that we asked for Privacy Settings to be managed by individuals through the Members' Hub and or the Website. The response currently has still been very low, and it means we are unable to publish contact details as we used to.

This effects the publication of the personal Diary, and as mentioned on the Forum earlier last year, the Club will be publishing a Fixture List going forward, which replicates the calendar section of the previous diary. All the same, just without personal phone details.

Thank you
