- 9 – **DISCRETION**: the staff on duty have full authority to refuse entry into the Lounge Bar if in their opinion members or guests are not correctly dressed. This may vary between staff members, but it is the staff on the day and their opinion on the day that counts. There is no appeal against this, what they say goes, please do not argue with staff or abuse them over their decisions. These rules can be waived at the discretion of any Golf Club Board member, the Bar Manager or 19th Catering Management, but only for good reason and on "one-off" occasions and must not be considered the norm.
- 10 – Food can only be eaten at the tables in the lounge or restaurant, not at the bar. Only light snacks, peanuts, crisps and the Sunday trays provided by the Club can be eaten at the bar.
