We need to collect the information above to be able to provide products and services to you. Stoke by Nayland Golf Club will send you emails. We want to ensure we protect your privacy and give you the option to choose what information you receive. These emails fall into three categories;

Welcome/New Member Liaison

You grant permission for your contact details to be shared with the relevant Captain/committee members who may contact you initially and periodically in relation to your membership.

Service Emails

These are messages directly connected to your membership of this club. They may include your subscription renewal notices, receipts, statements and direct communication with the Golf Office.

Club Promotions

This is the Weekly Newsletter that you receive. This may contain club specific promotion for example, information about club social nights, members coaching, functions or offers to club members.

Third Party Marketing

These are emails from the club containing 3rd party marketing. These may include special offers from local businesses etc.

If you do not wish to receive Service Emails, then you must contact the Golf Office (but you will not have email contact with the Golf Office or be able to log into HDiDo or the Members App). At the bottom of the news emails is the 'Change Marketing Subscription' tab - where you can 'opt in or out' of Club Promotions and third Party Marketing. (By default members are opted out of 3rd Party Marketing).
