# Fred Daly News of the World Trophy (1947)

Fred Daly won the Open Championship in July 1947 and was made an Honorary Member of Lisburn G.C.

Fred won this trophy at the News of the World Matchplay Tournament in September 1947.

Later that same year in November, Fred was the first Irishman to be selected for the Ryder Cup.

He won the N.o.W. matchplay event again in 1948 and a third time in 1952 after qualifying at the Longstone Street course, setting the Professionals' course record in the process.

In 1989, Lisburn Golf Club hosted the Ulster Mens PGA Championship and Pro-Am at Blaris.

On 7th July that year, Fred announced he would entrust his first matchplay trophy to the event at Lisburn.

The Cup would be awarded to the winning amateur, playing in the Pro-Am tournament and thereafter played for by amateur golfers in the Fred Daly Challenge tournament, played up to 1997.

The Cup was later gifted to the Club and has been played for here since 2004.

## THE ROBERT WILSON TROPHY (1992)

This Trophy was presented in 1992 by the directors of the Robert Wilson & Sons (Ulster) owners of the animal products 'Burnhouse Factory' on the Moira Road.

On a summers evening the smell frequently filled the air as golf was played at Blaris. Through Club Member A. McBride, the company donated this trophy as they thought it would be a neighbourly act to compensate for the odours emanating from Burnhouse.
