These are NOT covered by your Club membership and are payable on a pay and play basis in the Pro Shop, or with a Season Ticket available from SCT.

Season Ticket

Tee Times

Members book tee times using the SCT online tee booking system that will require you to register before you can use it, or by calling the Pro Shop. Tee times for some drawn competitions are pre-booked by the club.

Application Process

The Club Management Committee meets monthly and considers new member applications. If approved, your name is displayed on the Club notice board for two weeks before acceptance and on the Club website (member's area).

Please note, the process can take up to six weeks depending on the date the application is received but we aim to be in touch quickly after we receive your application.

New members are then invited to a meeting to learn more about the club and how we can help you enjoy everything on offer. We will explain how handicaps work and how to obtain one, if you haven't one already.

Membership is approved for the current calendar year and renewal subscriptions become due on the 1st December. Members joining on or after 1st September will also receive membership to the end of the following year.

Membership details are kept securely on computer and only used for Club and handicap purposes (in accordance with General Data Protection Regulations May 2018).
