

Wortley Ladies Section

Wortley Golf Club welcomes all women and girls interested in playing the sport of golf. We are a small but friendly group and offer a warm welcome to new members and those interested in learning more about the game of golf.

We are very proud of our hidden gem of a course conveniently located in Wortley only a short drive from Sheffield, Penistone, Barnsley and Huddersfield.

Prize Giving

We also play mixed competitions with the men and enjoy Club competitions on special dates throughout the golfing year. Golf is often followed by a social drink or bite to eat in the clubhouse.

Fun Comps & Lady Captain's Day

We participate in the YLCGA inter team Competitions and encourage ladies to join the teams to represent the Club, have fun and play other courses in the region at the same time.

An annual Ladies AMAM (open competition) is well attended, with entrants from all over the UK. Bookings for our next AMAM can be made through The BRS Opens booking system.

Our resident amateur acoustic band “The Mulligans” made up of several members of the club entertain at certain events throughout the year.

FUNDRAISING

Fundraising is also a big part of our annual calendar. The Lady Captain selects her charity each year. We raise money through raffles, bake sales and events like the MacMillan 72 holes in a day! New ideas and support in fundraising is always greatly appreciated and welcomed.

COACHING

We are actively looking to grow the Lady membership of the club, and have a supportive professional, **Richard Crawshaw** who provides lessons for all abilities and coaching sessions along with his assistant professionals.

We have recently been successful in being one of South Yorkshire's Golf Clubs to facilitate **Girls Rock Golf** an initiative to introduce girls from age 5 up into golf through fun coaching and playing on the course
