

Memorial Tree Programme

With the removal of the Conifers on the 2nd fairway imminent, we are proposing a memorial tree programme to brighten up the fairway.

We are offering our members the chance to purchase a tree for the set price of £350, in remembrance of a family member or loved one.

The tree planting will commence late October 2020 onwards.

Shrubs and bushes will be available for purchase at a date to be confirmed in the near future.

If you would like any more details on this programme, please get in touch with the office.
