This Week's Action: A packed week lies ahead with the commencement of The Bulmers Open Singles which tees off on Tuesday and will continue on Friday. Over the next 3 months or so there will be weekly prizes in this series with the top 40 and ties will play in October's final. A huge thanks to Bulmers for their continued support.

On Monday, a new summer series began. This is a 12-hole event being run each Monday Wednesday and Thursday. There will be weekly prizes and player's top two cards over the course of the series will count towards qualifying for the final in September. The top 40 and ties will qualify for the final. We thank Vincent Woodlock for sponsoring this series.

COVID: Unfortunately, we have noticed a slight slip in the rules surrounding the BRS and we appeal to members to adhere to the simple rules. All golf must be booked on BRS. Members booked on BRS but who cannot play must cancel the booking on BRS.

New Howdidido Feature: There were two trial events held over last weekend testing out the new Howdidido app which is now in operation for singles competitions. Member's feedback was very positive with the system working excellently. This app ensures that there is now minimum interaction with other members while entering a competition or entering your score. Members are advised that it is important that all scores are recorded after a round. This ensures that the SSS of each day is calculated accurately.

Team Meetings: Noel O'Brien has arranged to meet with all members currently trialing for Jimmy Bruen and Pierce Purcell panels. Noel has asked that members of the Pierce Purcell panel meet at the clubhouse on Monday next at 8pm. He will hold a meeting with the Bruen panel on Tuesday at 8pm.
