OFFICIAL NEWSLETTER OF  
les mielles golf club

WHAT REALLY MATTERS IS NOT MERELY NOMINAL  
membership, but active and involved membership.

Aug 2021

## Welcome to this the first Les Mielles Golf Club Newsletter.

I intend to produce a regular newsletter for the membership throughout my time as Captain in order to keep you, our valued members, aware of what is going on within the club and on the course.

There will be updates from the committee and reports on matches and competitions along with course information and diary reminders for future events. The newsletter will be supplied as a downloadable .pdf and will be emailed to all members as a matter of course (no pun intended) and there will be a version on the website available for download.

The interval has yet to be decided but I should think that, due to the amount of changes surrounding the club and course along with the effects of Covid, once a month will probably be required for now. However, once things get back to near normal we could reduce the quantity of input down to once every two or three months. Quality over quantity I believe is the measure!

I look forward to your feedback on all things that relate to the club and indeed anything that affects your enjoyment of the game.

Arno Chilvers  
Captain

## PRESIDENTS DAY

I have spoken, at length, with Pat Jennett and between us it was decided that President's Day would be deferred from its planned spot on Saturday 14th August.

There are plans to hold an alternative event to enable us all to celebrate Herbie's life at a future date.

## Match vs St Clement

We are hosting the annual match against St Clement on Sunday 8th August.

A form will be sent out today so that you can put your name forward for selection or [click here to get your name down](#).

## Social Events

We currently have 2 social events in the pipeline, the first is a Bowling & Dining Evening at Jersey Bowl. We are still to fix the date for this as Covid restrictions still play a part in these plans due to restrictions on numbers.

The second event is a Golf Rules Quiz at the end of September at The Saint Laurent pub. This will include food and we are working on making this as digitally and visually interactive as possible. More to come....

## Reminder - White Tees

Please remember that the white tees are for official competitions only.

Outside of official competitions you must use the yellow tees even for supplementary cards and when applying for your handicap index.

If you do happen to be playing from the White Tees in an official capacity and you hit a stray one into any public areas or cause an accident you MUST fill out an official club claim form and advise a member of the committee.

## Braybrook Salvors 19th August 2021

The ladies have 12 members committed to this event and I would like us to field an equal number of gents so that pairings can be made up for this fun competition.

I will send out a form (and put one on the noticeboard) so that you can show your interest or [click here to join in](#).
