

Founded 1907

Corporate Membership

Thorpe Hall Golf Club is pleased to offer the opportunity of Corporate Club Membership.

Since opening for play in 1907, Thorpe Hall Golf Club has proved to be a fair but stimulating test for golfers of all abilities. Although modest in length by the standards of modern course design, mature trees that line the majority of the fairways provide the main defence of the course against all players.

Our Hospitality and Catering team offer a wide selection of beverages and Restaurant quality dining, sure to impress any potential clients, whilst our newly refurbished Clubhouse offers a modern and relaxed environment to meet and socialise.
