1 Overview

This manual covers the rules and regulations on handicaps and competitions at Donnington Grove Golf Club (DGGC). It is maintained by the club competitions and handicaps committee (DGCHC) which reports to the main club committee (Donnington Grove Golf Club Committee).

The information provided in this manual will be communicated to all members of Donnington Grove Golf Club via the club notice boards and the member's web site.

From time to time this manual will be reviewed and modified by DGCHC. These rules are to be read in conjunction with the general rules for all golf played at Donnington Grove Golf Club.

2 Scope

This document covers all Donnington Grove club competitions played by men and ladies and provides information on the rules and entry requirements for each event.

The objective of this manual is to encourage all members to play and enjoy competitive golf at DGGC to the full.

3 Handicaps

3.1 Handicaps Indexes.

DGGC allocates and maintains handicap indexes under the World Handicapping System.

3.2 Transferring or Obtaining a Handicap.

New members with a handicap index held at another club may transfer their handicap directly by providing their current handicap certification number (CDH) directly to the DG competitions and handicap committee or via the DG golf manager.

For new members without a competitive handicap, the process of obtaining one is:

The member should play 54 holes of golf clearly marked "FOR HANDICAP" with the date and time of each round, the name of the new member and signed by both the new member and a DG member as marker. These 54 holes can be played in any combination of 9 and 18 hole rounds.

It would be preferable if one of these rounds was with a DG committee member. This will help to incorporate the member into the club.

- Either contact DGCHC directly: competitions@donnington-grove.com
- Or contact the Club Captain, Vice-Captain, Lady Captain or Lady Vice-Captain via the DG golf manager golf@donnington-grove.com
- The member should retain cards until the 54 holes are completed and then hand them to the pro shop or left in the competition's cards box outside the pro shop.

Once the completed cards are received, a handicap will be allocated in accordance with WHS rules and will be included in the printed list of handicaps available on the club Notice Board and the Members' website.

3.3 Annual Review and General Play Adjustments

On an annual basis, DGCHC will undertake the annual review of handicaps based on all scores submitted during the year. Any adjustments will be communicated directly with members and any changes to handicap index agreed. DGCHC can also undertake ad-hoc reviews of handicaps throughout the year if considered necessary.

3.4 General Play Cards (aka Casual Play Cards)

General Play cards are designed to enable members to maintain their handicap index when not playing in qualifying competitions.

Members may use a fully completed scorecard signed by both player and marker, however our preferred method of submitting a casual play card is via the England Golf App, attested by the marker.

Members must pre-register their intention to submit a General Play card before they play and complete their score entry on the app after they have played.

General Play rounds must always be played in accordance with the Rules of Golf.

Any other method of submitting a General Play round (Howdidido/PSI) must be accompanied by a signed scorecard (player and marker).

4 General Competition Rules

The “Rules of Golf” apply to all Donnington Grove competitions and in all events the decision of the Donnington Grove Golf Club Committee is final. In the unlikely event that this manual does not cover a competition dispute, a special DGCHC meeting will be convened. **The dispute will be discussed in full, the decision of the DGCHC is final.** The quorum is a minimum of three DGCHC members, one of which must be the Club Captain or Vice-Captain or Competitions Secretary.

Members are expected to display both the correct etiquette and the correct spirit of the game when playing in any DG competition.

4.1 Avoidance of Slow Play

Not all members play golf at the same speed. However, to maximise numbers and for everyone to enjoy himself or herself, members are asked to follow a small number of simple do’s and don’ts.

- **Do** if in doubt play a provisional shot immediately.
- **Do** keep up with the group in front – if you lose more than a clear hole and a half be prepared to let following groups play through.
- **Do** listen to instructions given by course marshals; they are there to help us all.
- **Do** be prepared to let the following group through if you stop at The Halfway House.
- **Don’t** forget to ask to play through if you are that following group!
- **Don’t** use mobile phones on the course except in emergencies or by prior agreement with your playing partner(s).
- **Don’t** mark cards or chat on the green when the following group is waiting to play.
- **Don’t** cause delay by putting your playing partner(s) off their game by talking or moving when they are playing their shots.

4.2 Competition Eligibility and Entry

All members must have a recognised WHS handicap index to enter a club competition.

Entry requirements for specific competitions are dependent on membership status and are detailed below. Other eligibility criteria for each competition will be clearly displayed on the competitions board prior to the competition, on the club website and in the pro shop on the day of the competition.

Competition entry will normally be via the “How Did I Do”, and the” ClubV1” apps. In some cases, entry forms will be available in the pro shop four weeks before the competition date. Members may enter their names on the start sheet directly or via a member of the pro shop staff.

Entry into club competitions will be either in time zones where playing partners will be drawn (see below) or in specific tee time slots which will form the order of play for the

competition. Members will be advised in advance of the format to be used. Note that time zones are indicative and are subject to change depending on the number of entrants.

Please note that the responsibility rests with each member for entering his or her names in club competitions. If this is done on their behalf, in the event of any issue or resulting fines, it will be the member who is held accountable.

4.2.1 Minimum Scores Required

For Board Competitions members must have a minimum of six qualifying scores recorded in the preceding 18-month period, at least two of which must be from a Donnington Grove qualifier. (Midweek Stableford, Weekend Stableford and Monthly Medals as well as Board Competitions all count as DG qualifiers).

This requirement also applies to the Tournament of Champions competition.

4.3 Coaching & Caddies

Caddies are part of a team. Coaching cannot be given between players competing in the same competition, unless they are part of the same team.

4.4 Early/Late Tee Times

It is understood that for various reasons (e.g. work commitments) some members may require a specific competition tee time. If this is the case, the member *should* indicate this clearly to the pro shop or a competition committee member, (or telephone the Competition Secretary directly), in advance of the draw or start sheet completion (please see section 4.5). Every effort will be made to accommodate these requirements, but only within the times of the booking time zones.

4.5 Competitions Draw And / Or Start Sheet.

For all competitions where members book in advance the closing date and time will be 12:00 noon on the day BEFORE the competition. The draw/start sheet will be emailed to members entered in the competition and made available via the V1 Members App (Members can also call the pro shop if they have no access to the Internet).

Regular club competitions are also held on Saturdays, Sundays and during the week where there is no such draw or start sheet process. For these competitions, members may play at a tee time of choice throughout the day. They must first however register with the pro shop to enter the competition by paying the appropriate fee.

Drawn and start sheet competitions will contain the following information.

- Competition Name

- Competition Date
- Tee Times
- Competitor Names
- Format for the competition
- Tees for the competition
- Handicap Stroke Allowances

4.6 Reserve List

If no suitable tee-time is available, members may place their names on a reserve list, together with a contact number and a preference for the start times required. If there is a withdrawal, names will be promoted by the pro shop from the reserve list in the order they were entered - subject to the pro shop being able to make contact in a reasonable time. Members may not promote people from the reserve list themselves or promote themselves ahead of others on the reserve list.

4.7 Entry Fee Refunds

No refunds will be given to members who enter a competition and then do not turn up to play. A refund may however be appropriate if the start of the competition is delayed or must be rescheduled for a future date.

4.8 Withdrawal from Competitions

For all fixed period/drawn competitions a member may withdraw their name from the start sheet up to **12:00** noon on the day **BEFORE** the competition; for example, up to 12:00 on Friday for a Saturday competition. Members cancelling **AFTER** this deadline may be required to pay the entry fee even though they do not participate. This should be paid as soon as possible and before entry to another competition. Please note that members may not be allowed entry to another competition until the previous entry fee is paid. The committee will make contact to discuss before any final decisions are made.

4.9 'No-Show'

Any player whose name appears on the start sheet and who fails to play, having not given notice of withdrawal, to the pro shop or a DGCHC member, **BEFORE** the day of the competition will be required to pay the entry fee AND may be barred from entering the next equivalent competition. This is to discourage behaviour that may prevent other members playing in the competition. The committee will make contact to discuss the situation before any final decisions are made.

This '**like for like**' ban means that a 'no show' in a weekend medal competition will incur a ban in the next weekend medal competition. If the 'no show' is in a board competition it will be a ban from the next board competition. (Rolling knock out competitions are not included in this ban)

Members will be requested to pay any entry fees ASAP. If a member commits a 'no show' for a second time within a 3-month period, they will be referred to the DGCHC. Unless there are extenuating circumstances, a 3-month competitions ban may be enforced. Continuous abuse of the competition entry process will result in the member being referred to the Clubs disciplinary committee.

4.10 Tee Times

In any fixed period/drawn competition members must start at the time stipulated on the draw sheet. In the case of match-play knockout competitions the start time will be that agreed with their opponents. Members are required to be on the tee **10 minutes before** their allotted tee time.

If a member arrives on the tee within five minutes after his starting time, in the absence of circumstances that warrant waiving the penalty of disqualification as provided in Rule 33-7, the penalty for failure to start on time is loss of the first hole to be played in match play or two strokes in stroke play. Penalty for lateness beyond five minutes is disqualification. NB. In four-ball competitions – Rules of Golf 30-3a or 31-2 apply.

4.11 Format of Play

DGCC uses several different formats for play in club competitions. These are designed to balance speed of play with allowing the maximum number of members to participate in each competition.

The formats are as follows.

- All board singles competitions must be played in three balls, with drawn playing partners and played within a fixed competition time period.
- All board pair's competitions will be played in four balls, within a fixed competition time period.
- Saturday/Sunday Medal/Stableford competitions will be played in 2/3/4 balls with a mix of drawn and nominated playing partners with no fixed time period during the competition date.
- Mid-week medals will be played in either 2/3/4 balls and at a tee time of choice with no fixed time period during the competition date.

4.12 Delayed start / abandoned competition

In the event of adverse weather or course conditions (flooding, ice, fog, etc.), or safety issues (e.g. in a lightning storm) it may be necessary to delay or even abandon a competition. Where the start of the competition is delayed for more than one hour it **may** be abandoned for that day and if possible be rescheduled. If a competition is abandoned and cannot be rescheduled, it is abandoned for all competitors, even if some have completed their rounds. Entry fees will be refunded if a competition is cancelled and not

rescheduled. Any play should be re-started from the point where it was stopped in accordance with the Rules of Golf either by completing the hole or marking the ball and resuming play from that point.

See website or notice board for more information on inclement weather procedures.

4.13 Competition Green Fees

In some competitions the payment of a green fee is necessary (e.g. mid-week members playing in a knockout match at a weekend). All such green fees must be paid in the pro shop before starting their competition round. Failure to do so will result in disqualification.

4.14 Competition Scorecards

Pre-printed competition scorecards will sometimes be made available in the pro shop on the day of the competition. If they are not prepared in advance it is up to the competitor to ensure the card is completed correctly. Following completion of a competition round, member scores must be entered into the PSI and then the card placed in the competitions box provided under the PSI.

*The competition name, competitor's name, date, time, handicap index, tees played and correct gross score for each hole should be marked in the appropriate place on the scorecard. **The marker and the competitor must also sign the card.** If the competitor cannot be identified from a returned card the competitor will be disqualified (no card returned) and the players handicap index may be affected (as per the World Handicapping System). **Please see the relevant section from the rules of golf.***

4.15 Cards Not Returned

If a member does not return their competition card at the time of competition close, then the score will count as a **NO RETURN**. It will also result in disqualification (with possible impact on the player's handicap).

4.16 Nil Return Score

Where a medal competition card is returned but a member fails to complete a score for every hole on the card, the score will be classed as a Nil Return.

Members should be aware that this has a negative and distorting effect on the competition as a whole.

Where a Nil return score is recorded the World Handicap system treats this as a double bogey on every hole not completed - affecting the overall playing conditions calculation and hence the handicap adjustments for every other member playing on the same day. Members are asked to complete a score for all other completed holes during the

competition round.

Members are asked therefore to avoid deliberate 'nil returns' in competitions at all times. Continued submission of nil return scorecards may result in sanction by DGCHC.

4.17 'Walk Offs'

A member submitting a nil return scorecard and walking off the course (without valid reason) during a club competition shall face the same 'like for like' ban as a 'no show' (see 4.7 above).

DGGC disapproves strongly of such behaviour that contravenes both club etiquette and the spirit of the game. Persistent 'walk offs' will result in referral to DGGC disciplinary committee for further sanction.

4.18 Scorecard Reminders for Pairs and Team Competitions

In four-ball, foursomes and greensomes competitions, the card need only be signed by one of the playing partners and the marker.

In four-ball competitions, the gross scores to count must be individually identifiable; otherwise the pair will be disqualified (Rule 31-3).

In team of 4 competitions, two members of the team must sign the card.

4.19 Entry into Pair's Competitions and Rolling Knockouts.

Both players in any club pair's competition must have a handicap index at the time of the start of the competition.

For a reminder of the rules governing the play in various format pair's competitions please see the Rules of Golf.

4.20 Competition Handicap Allowances

The following table contains competition stroke allowances as used by DGGC in the various Men and Ladies competitions.

Allowances are calculated as defined in the latest Rules of Golf.

1. Match Play Competitions

Shots allocated are taken from the lowest handicap player, based on the rounded Course Handicap which can be found on the handicap boards next to the first tee. The allocation for a player is the difference between their Course Handicap and the lowest handicap player's Course Handicap.

2. Stroke Play Competitions

Allowances are expressed as a percentage of exact Course Handicap.

Once the percentage allocation (as defined in the table below) has been applied it is then rounded to establish a playing handicap.

This calculation will be performed by the software used for administering the competition.

The formula for a playing handicap calculation is:

$$\text{Allowance \%} * (\text{Handicap Index} * (\text{slope rating}/113) + (\text{course rating} - \text{par}))$$

Type of Competition	Handicap Allowance
Match Play	
Singles	100 % of shots allocated
Foursomes	50% of shots allocated based on team combined Course Handicaps
Four-Ball (better ball)	90% of shots allocated.
Par/Bogey	
Singles	95 % of Course Handicap
Foursomes	50% of team combined Course Handicap
Four-Ball (better ball)	Each partner receives 90% of Course Handicap
Stroke Play	
Singles	95 % of Course Handicap
Foursomes	50% of team combined Course Handicap
Four-Ball (better ball)	Each partner receives 85% of full Course Handicap
Stableford	
Singles	95 % of Course Handicap
Foursomes	50% of team combined Course Handicap
Four-Ball	Each partner receives 85% of Course Handicap
Greensomes	
	Lower Course Handicap x 0.6 plus higher Course Handicap x 0.4. If the handicaps of the partners are equal, the Greensomes handicap is half the combined Course Handicap
Scramble	
4-person team	25%/20%/15%/10% from lowest to highest Course Handicap
2-person team	35%/15% from lowest to highest Course Handicap

4.21 Stableford Scoring

DGCC runs several competitions each year where Stableford scoring is the basis of the event. Points are awarded in relation to (net) par at each hole and the member or team's net score is used to calculate the points.

The Stroke Index at each hole is used to determine how many shots a player/team

deducts from their gross score depending on their handicap allowance for the competition.

Score on Hole (Nett)	Points recorded
More than 1 over par	0
1 over par	1
Par	2
1 under par	3
2 under par	4
3 under par	5
4 under par	6

4.22 Mixed Competitions

In any mixed competition Ladies should always play from the red tees. Men must play from either yellow or white tees depending on the competition being played.

4.23 Qualifying competitions

In accordance with WHS requirements **ALL DG competitions** (Including winter competitions) are to be classed as qualifying for handicap purposes unless course conditions on the day dictate otherwise.

4.24 Competition Results.

DG mixed medal competitions are divided into a maximum of three playing divisions dependent on the number of entrants, based on handicap. This is to ensure that all members have a fair chance of winning. The split of divisions will be determined by the DGCHC and subject to review on a regular basis to ensure a fair spread of members in each division.

The number of divisions will be dependent on the number of entrants.

Prizes awarded will be dependent on the entry fees taken / number of divisions.

DGCGH will determine the prize money to be awarded on a competition-by-competition basis.

If less than 6 entrants, no prizes will be awarded, and the entry fees will be refunded.

Current Division split is: (subject to review)

1 Division = -10 to 54

2 Divisions = -10 to 16 and 17 to 54

3 Divisions = -10 to 12, 13 to 20 and 21 to 54.

Number of entrants	Divisions
Less than 6	N/A
6-40	1
41-60	2
61+	3

After each competition, full results will be published on the competition noticeboards and web site.

In the event of a tie, resolution will be on the following basis.

1 day event

Nett Count Back	B9, B6, B3, B1, F9, F6, F3, F1
-----------------	--------------------------------

2-day event

Nett Count Back	Day2 total, Day2 B9, Day2 B6, Day2 B3, Day2 B1, Day2 F9, Day2 F6, Day2 F3, Day2 F1, Day1 B9, Day1 B6, Day1 B3, Day1 B1, Day1 F9, Day1 F6, Day1 F3, Day1 F1
-----------------	--

5 Medal and Stableford Competitions

5.1 Entry Fees

Entry fees will be reviewed by the committee on a regular basis. The entry fee for each competition will be published with the competition details.

5.2 Tees

The tees specified for the Men's tees to use are the tees we expect to use. However, there will be times when playing conditions dictate the need to change these tees. The pro shop and committee can change the tees to use on the day before playing commences.

5.3 Stablefords - October to March

These are normally played on the first Saturday of the month as mixed stableford competitions with men off the winter course (yellow tees). Members must have a valid WHS Index to take part in the competition.

Starting Tee	First
First Tee Time	07:30 – 08:30
Format	Singles
Scoring	Stableford
Men Tees	Yellow
Ladies Tees	Red
Handicap Allowance	As per section 4.20
Qualifier	Yes

All prizes will be in the form of pro shop vouchers.

The value of the vouchers is dependent on the number of players who have entered the competition.

5.4 Medals - April to September

During the months of April to September, monthly medals are played as mixed stroke play competitions. Generally, these are played on the first Saturday of the month. Members must have a valid WHS Index to take part in the competition. Before playing the competition round, players must pay the entry fee via the pro shop and have their card marked according to competition rules.

Starting Tee	First
First Tee Time	06:30 – 08:30
Format	Singles
Scoring	Stroke Play
Men Tees	White
Ladies Tees	Red
Handicap Allowance	As per section 4.20
Qualifier	Yes

All prizes will be in the form of pro shop vouchers

The value of the vouchers is dependent on the number of players who have entered the competition.

The DGCHC or pro shop can change the Men’s tees if playing conditions on the day dictate.

5.5 Mid-Week Stablefords /Medals

These are played as mixed competitions. Tee times may be arranged by choice or during the member roll up tee times. Members must have a valid WHS Index to take part in the competition. Before playing the competition round, players must pay the entry fee via the pro shop and have their card marked according to competition rules

Starting Tee	First
First Tee Time	N/A
Format	Singles
Scoring	Stableford
Men Tees	Yellow
Ladies Tees	Red
Handicap Allowance	As per section 4.20
Qualifier	Yes

All prizes will be in the form of pro shop vouchers

The value of the vouchers is dependent on the number of players who have entered the competition.

6 Board Competitions

All Board Competition prize winners are expected to attend the annual club presentation evening where they will be presented with their trophies.

Entry into all DGGC Board Competitions criteria.

- Open to all 7-day members
- Gentlemen's Playing Handicap limit 28
- Ladies Playing Handicap limit 36

5 Day members may enter The Midweek Championships and the Summer Knockouts

Minimum number of qualifying rounds to qualify are found in section 4.2.1.

Board Competitions

Men's Club Championship Gross & Nett

Winter/Summer Four Ball Knockouts Pairs Winter/Summer
Singles Knockouts
Summer Scratch K/O
Summer Foursomes K/O
Summer Seniors K/O

6.1 Men's Club Championship

This is a gentleman only competition. The competition is played over 36 holes over 2 consecutive days. This competition runs in conjunction with the Ladies Club Championship.

6.1.1 Gross Championship

Winner: The Club Champion receives the Club Trophy on presentation evening, and individual prize

Runner-Up: Individual prize presented at Presentation Evening

The Top 3 Gross scores will be “asked” to represent the Club in the BB&O “Champion Club Competition”

(Any player not able to play in this event their place will be offered to the player with the next best score)

Prize vouchers will also be awarded. Places and value will be determined by the Club Committee based on entries.

6.1.2 Net Championship

Winner: Club Trophy presented at Presentation evening plus an individual prize.

Runner-Up: Individual prize.

Prize vouchers will also be awarded. Places and value will be determined by the Club Committee based on entries.

NB: A member may win more than one of the above prizes.

6.2 Ladies Club Championship

This is a Ladies only competition played over 36 holes over 2 consecutive days. This runs in conjunction with the men's club championship event.

6.2.1 Gross Championship

Winner: The Club Champion receives the championship trophy and represents the Club in future events and presentation functions.

Individual prize presented at Presentation Evening

Runner-Up: Individual prize (subject a minimum of 10 lady entrants).

Prize vouchers will also be awarded. Places and value will be determined by the Club Committee based on entries.

6.2.2 Net Championship

Winner: Club trophy presented with an individual prize.

Runner-Up: Individual prize (subject to 10 entrants)

Prize vouchers will also be awarded. Places and value will be determined by the Club Committee based on entries.

NB:- A player may win more than one of the above prizes.

6.3 Midweek Championship

This is a separate gentlemen and ladies' competition, dependent on a minimum of 8 lady entrants or the competition will be played as a mixed competition.

Starting Tee	First
First Tee Time	08:00
Format	Singles
Scoring	Medal
Men Tees	Yellow
Ladies Tees	Red
Handicap Allowance	As per section 4.20
Qualifier	Yes

Winner:

Club Trophy presented at Presentation Evening.

Runner-Up:

Individual prize

Prize vouchers will also be awarded. Places and value will be determined by the Club Committee based on entries.

6.4 Grove Foursomes

This is a separate Gentlemen and Ladies competition.

Starting Tee	First
First tee time	08.00
Format	Foursomes
Scoring	Strokeplay
Men's Tees	Yellow
Ladies Tees	Red
Handicap Allow	As per section 4.20
Qualifier	No

6.5 Seniors Club Championship

This is a separate Gentlemen and Ladies competition.

Starting Tee	First
First Tee Time	08.00
Format	Singles
Scoring	Strokeplay
Men's Tees	Yellow
Ladies Tees	Red
Handicaps	As per section 4.20
Qualifier	Yes

6.6 Parasampia Cup

This is a separate Gentlemen and Ladies competition.

Starting Tee	First
First Tee Time	07:00
Format	Singles
Scoring	Stroke Play
Men Tees	White
Ladies Tees	Red
Handicap Allowance	As per section 4.20
Qualifier	Yes

Winners:

Club Trophies presented at Presentation Evening.
Individual prizes presented at Presentation Evening

Runners-Up:

7 Knock-out competitions

DGGC runs several match-play knock out competitions both in winter and summer. The format of these rolling competitions and the rules relating to them are available on the individual entry forms.

Members are requested to familiarise themselves with the rules before they enter any knockout competition.

Open to all 5 & 7-day members eligible to play in board competitions.

Five-day members may play in these competitions. However, they must be prepared to play over a weekend and bank holiday period when the appropriate green-fee must be paid.

If there is any dispute relating to these competitions, DGCHC will adjudicate and decide, which shall be final.

Minimum number of qualifying rounds to qualify are found in section 4.2.1.

9 Club Matches

DG runs several match programmes, which cater for the needs of all members

The appropriate Club or Team Captain takes responsibility for all organising all such matches. All information about these matches may be found on the appropriate notice boards and club web site.

All members playing for the club in any of our match programmes are expected to purchase the appropriate team colours via the respective team captains.

For details of our Ladies and Mixed matches please contact our Ladies Captain

For seniors matches please contact our Seniors Captain.

The captains of the men's interclub matches (Hillman, Annodata, Tri-Series and Concord teams) are appointed by the men's captain. For further information see the club website or contact the men's captain.

DG Match Team captains are responsible for:

- Arranging dates of matches with other Clubs
- Publishing the entry sheets on the notice board/Club V1
- Selecting the team
- Booking food for home matches through the Director of Golf
- Publishing the team
- Ensuring team members are available for the match
- Collecting entry money from players (both home and away matches)
- Deciding on pairings and order of play of the team
- Liaising with the team captain of our opponents
- Ensuring proper dress code is adhered to by team members
- Confirming final numbers with the Director of Golf before play
- Making a speech at the after-match dinner if necessary
