LIMERICK GOLF CLUB COMPETITION INSTRUCTIONS

1 Mobile Applications

Two apps are required to participate in competitions. The ClubV1 Members Hub is used to top-up your Competitions Purse and the HowDidiDo app is used to enter competitions and return scores. We are told that Mobile Score Input (MSI) will be integrated into the ClubV1 Members Hub in future releases, so only one app will be required. Both apps can be downloaded from the Apple Store or Google Play. Please note that these functions can also be carried out from a desktop PC via a Web browser.

The screenshot shows the app page for 'ClubV1 Members Hub' on the Google Play Store. The app icon is a grey circle with an orange 'V1' inside. The title is 'ClubV1 Members Hub'. The developer is 'Club Systems International Ltd.' and the category is 'Sports'. It has a rating of 4.5 stars from 171 reviews. The age rating is 'PEGI 3'. A warning icon indicates 'Contains Ads' with the message 'This app is incompatible with your device.' There is an 'Add to Wishlist' button and an 'Install' button.

The screenshot shows the app page for 'HowDidiDo' on the Google Play Store. The app icon is an orange circle with a white golf ball and club head. The title is 'HowDidiDo'. The developer is 'Club Systems International Ltd.' and the category is 'Sports'. It has a rating of 4.5 stars from 283 reviews. The age rating is 'Parental guidance'. A warning icon indicates 'Contains Ads' with the message 'This app is incompatible with your device.' There is an 'Add to Wishlist' button and an 'Install' button.

If you have not used these apps before, or logged-in to the Club Website (www.limerickgolfclub.ie), you will need to register an account to do so. Please refer to the document "Passport Instructions" on the Website for further information. Please note that you **must** use the email address that that you have registered with the Club.
