Men's open competitions 2020:

Most men's competitions on Wednesdays and on weekends are open.

In medal competitions we normally present a visitor's prize if a visitor scores well enough to finish within the "winning zone"

We hold an open seniors on the second Tuesday of each month when possible and during the high season we hold a second open seniors on the last Tuesday of the month.

In fact most men's competitions at Coollattin are open competitions.

It is always worthwhile to check if any competition is open.
