

Handicap Advisor Report for BCLGA County Delegates Meeting 2 December 2021:

Clubs should be completing the annual handicap review over the coming weeks. A report for this can be produced on the England Golf Portal, it highlights players to be considered. Full guidance is given at this link <https://www.englandgolf.org/wp-content/uploads/2021/10/Handicap-Review-Guidance-2021.pdf>

Clubs should also ensure that they follow the England Golf advice for Winter Golf. Rounds can still count towards handicap but clubs should ensure that the guidance is followed to ensure that the course requirements are still being met. Please follow the guidance on this link https://www.englandgolf.org/wp-content/uploads/2021/10/winter_golf_checklist_291021.pdf
