

County Junior Organisers Report – Delegates meeting 22nd June

What has happened since we last met

Training with Tony

We had a great session with Tony at Oakland park on Thursday 21st April – Oakland looked after us really well.

Pre handicap and higher handicap Par 3 Fun Days –

We have now held our first two competitions at Wycombe Heights and Abbey hill and had 9 and 6 girls come along. We have had a number of new girls join us and some of the girls from last year have started to get their handicaps.

The tiddler trophy was due to be held on Sunday 19th June at Abbey Hill but has been postponed due to lack of entrants but we do hope we can play it later in the year.

We continue to run the fun competitions and the next one is on the short course at Wexham on 3rd July. Please encourage your junior girls to come along to these- it is great practice.

This is now underway at Abbey Hill and Wexham Park.

For a number of years now we have two centres for our academy training, Abbey Hill and Wycombe Heights. The training consisted of 6 sessions, once a month on a Sunday for about 3 ½ hrs (including a break).
