A club you can be proud to call your home

Founded in 1898 and located between Sunbury on Thames and Staines upon Thames, Ashford Manor is one of the premier clubs in Middlesex.

If you love golf we think you will fall for Ashford Manor

Established as an 18 hole course for over a century and measuring 6,400 yards, we boast some of the finest greens in Middlesex, regardless of the time of year. With the advantage of age the course has matured to offer a quality parkland course with tree lined fairways and well bunkered approaches to greens.

And you will feel just as at home in our Manor House

The original Ashford Manor house still stands and provides a comfortable Clubhouse overlooking the golf course. We have 2 bars and lounges offering a great selection of beers, wines, soft drinks, and spirits, as well as a great selection of hot and cold dishes.

As a member you can hire the venue for FREE with no room hire charge so whatever celebration you have coming up we can help to make your day special.

Friday night is Club night at Ashford Manor Golf Club with our traditional Fish Fry Day. Members and their families can come and relax either on the outside patio with views across the course or in the dining room and lounge.

Our Sunday Carvery Lunch is also something to look forward to and what better way to spend a Sunday afternoon than with family and friends over Sunday Lunch at the Club.

Members can get a 10% discount off their drinks over the bar using their members account and can track spend via our members app.

Handicaps

If you are an established golfer looking to join Ashford Manor, please provide your World Handicap System (WHS) membership number when you join, which will help us to transfer your current handicap to us. If you do not have a handicap, then we can help to get you one.

Membership Interview

We do like all new members who join Ashford Manor to be proposed and seconded by one of our existing members. If you do already know a member at the Club, we can ask them to propose you at the point that you join. If you do not know any current members, then we will help to get you proposed during your integration process.

Once you have completed the membership application process, we can then schedule your membership interview.

Discounts over the bar

When you join you will be issued with a membership card, which also acts as your Bar Card. Each time you purchase something at the bar or halfway house just hand over your card to a member of the team and they will deduct this from your card. We offer members a 10% discount off drinks.

You can top your card up with the team in the bar or in the pro shop.

Social Golf

Social Golf is a large part of membership life at Ashford Manor. From socialising with the roll ups, Friday Night Club Nights with late night catering, to our social events calendar with Summer Ball, Captain's Weekend, Pro' Day, Vice Captain's Day, Ladies' Captain's Day to name a few.

Membership Joining Process

I hope we have whetted your appetite to learn more about becoming a membership of Ashford Manor Golf Club. We would love to show you around the Club and organise a time for you to play a trial round of golf.
