

## **Puckrup Seniors V Cotswold Edge Seniors – Match report 19 August 2021**

This home match was won By Puckrup by 4 points to 2. The result is a mirror of our recent away match at Cotswold Edge when we lost by 4 points to 2. Today we enjoyed good weather and a well-presented course. Most matches were closely contested, especially that involving the two captains where the result was only decided in Puckrup's favour on the last green. Ian Urquhart partnering Dave Parry won theirs by 4 and 2. Michael Maxwell was partnering Pete Morris, a new senior playing his first match; they won 7 and 6! A bottle of wine was at stake for the visitors nearest the pin on the 11<sup>th</sup> green. No-one managed to land on the green. However, the visiting captain was around 10 metres off but then chipped straight into the hole for 2 so he was awarded the wine for such a good shot. Although we were unable to enjoy a meal together following the fixture, we were able to host drinks on the hotel patio where the results were announced. Overall a good day for both sides, much enjoyed by all who took part.
