

DGC 125th ANNIVERSARY

Rabbits News

No. 11/236

July 2019

A successful 125th Anniversary week concluded with a wonderful Gala Dinner at Doncaster Golf Club Clubhouse on Saturday 13th July. The dining room was decorated with beautiful floral displays on every table, coloured bows on white covered chairs and polished glassware and cutlery all made for a stunning sight as members entered the room. A fine sunny evening allowed diners to meet up on the balcony under the new colourful umbrellas, thus creating a great

atmosphere before sitting down to a superb four course meal which fitted the grand occasion. The Club Captain Allan Beaumont welcomed everyone and presented

bouquets to the Lady Captain and to Chris O'Hara, who had a big part in organising the Anniversary events and then invited all to

Dinner, of which twenty percent were Rabbits and their partners.
