- ✓ Ability to play in all Club matches.
- ✓ Reciprocal arrangements with other Clubs.
- ✓ 15% discount on drinks.
- ✓ Invite guests to play at the Club at the member's guest rate.
- ✓ Automatic transfer to Full or 5 Day membership if desired.
- ✓ Unused credits can be carried forward to the following year.

## FLEXIBLE MEMBERSHIP

### Modern membership of a Traditional Club - £450.00

Willingdon Golf Club operates an innovative Flexible Membership which offers a totally modern and low cost approach to club membership and playing golf. The scheme is a fair and very cost efficient form of membership which means you only pay for the rounds that you play.

When you join Willingdon under this scheme your fee of £450.00 includes an annual membership fee which represents the value of joining a Club established in 1898, the freehold ownership of the ground on which the golf course sits and a Clubhouse with one of the best views in Sussex. This also includes your affiliation fees to the English Golf Union and Sussex County Golf Union and insurance. Credits will be held on your membership account and you can use them solely for rounds of golf.

The number of rounds you can play will depend when you choose to play. The day is split into 3 separate periods which reflect the popularity and demand for prime tee-times and these are priced accordingly.

Should you find that you have used up all your rounds you will have flexibility to be able to top up your account with a minimum of £100 whenever you need more credit. Your membership swipe card will control your golf via the Pro Shop and the Club software keeps a real time record of the golf you have played. Even unused credits remain valid, beyond a normal subscription year end, providing you renew for the subsequent year.

We shall be retaining the traditional unlimited golf membership options which will still prove attractive and the most cost effective category for the very regular golfer.

**Current members can only transfer over to Flexible membership at the end of their subscription year.**

## **SUMMARY OF TERMS AND CONDITIONS**

- ✚ Initial payment of £450.00.
- ✚ This buys annual club membership for £150.00 and £300 golf credits on a member's card.
- ✚ These golf credits will be deducted for every game played. The value of the golf credits will depend on the pricing of when you play – for example, full fees for morning tee times and reducing progressively throughout the day
- ✚ Unused golf credits can be carried over at year end **upon subsequent renewal**
- ✚ More credits can be purchased by at any time (minimum £100).
- ✚ Golf credits can only be used for the member's own golf and not for any other purchase in the Pro Shop including competition fees, or guest fees etc.
- ✚ 15% discount available on bar prices.
- ✚ Flexible members can book tee times two weeks in advance.
- ✚ Flexible members **MUST** report to the Pro Shop to register before playing each round. Failure to do so could lead to penalties being imposed.
- ✚ Access to the reciprocal rates of other local clubs
- ✚ Entitlement to SCGU County Card
