

ROWLANDS CASTLE GOLF CLUB

SAFEGUARDING STATEMENT

We all have an equal role to play in the safeguarding of children in our care.

We must always act in the best interests of the child.

Children have a right to feel secure and at ease in any environment.

All children regardless of gender, race, ability, age or culture have a right to be protected from harm.

All adults working with children have equal responsibility to act on any suspicions or disclosures that may indicate that the child is at risk.

As a Golf Club we will ensure that all persons working with young people will have undertaken the necessary security checks.

We have adopted England Golf Safeguarding Children and Young People Policy and Procedures.
