A Warm Welcome to All Seniors [Gents] At Grange Over Sands Golf Club

With an active senior's section of over 60 plus members there is always something going on to get involved with from weekly roll up golf to volunteering to help with work round the course. New members are always welcome.

Below is an outline of some of the Senior members activities.

Weekly Roll Up Golf

Join with other seniors for an informal round of golf followed by a chat, brew, pint etc.
