

## THE 1895 CLUB

### List of Members

#### Club basic rules and courtesies

For courtesy visits to other Clubs in the 1895 scheme some basic courtesies and rules are to be followed:

- Members make their own arrangements (in advance) with the secretary of the Club they wish to visit. (Please do not turn up unannounced.)
- Members must take with them a letter of introduction and a handicap certificate.
- Check with the host Club their dress rules and respect them.
- Numbers to be kept to a reasonable level at any one visit, as should the number of visits to the same Club.

#### Distance

The original arrangements included a 75-mile separation between Clubs for visits to take place, meaning that some effort should be made by visitors, rather than a short ride to a neighbour Club, thus avoiding the possibility of inconvenience leading to nuisance visits.

However, a few Clubs have come to mutually agreed reductions in the separation distance, and this is a matter entirely decided by the Clubs in question.

#### Important

Please always check with individual clubs for any further restrictions which may be in place.
